Project Title**: AB-798 Open Educational Resources Grant Bonus - FUNDED**

Funding Agency: CCCCO

Grant Amount: $ 49,000

Funding Period: 7/1/2018-6/30/2020

Project Director: Meghan Cason

**Description:** To make education at Los Angeles Valley College more affordable for students by supporting Los Angeles Valley College faculty to adopt and/or create free and open educational materials. The expected outcome is a degree/certificate that is zero cost and success will be measured by the student's ability to complete an entire degree/certificate that is zero cost. The project will be carried out through a ZTC coordinator working with faculty and instructional designers to create OER.

Project Title: **Workforce Accelerator Fund 7.0** - **SUBMITTED**

Funding Agency: California Workforce Development Board

Grant Amount: $ 200,000

Funding Period: 2019-2020

Project Director: Marni Roosevelt

**Description**: This project brings together the LAVC Family Resource Center, Workforce Development Department and the Los Angeles Regional Adult Education Consortium to implement activities and system changes to help low-income parents, particularly single mothers, access job training and reliable childcare, balance family obligations, and obtain living wage jobs. This approach will benefit the long-term success of both the parent and their children (representing the future workforce)

Project Title: **Whitsett Collection Digitization - SUBMITTED**

Funding Agency: California State Library – California Revealed

Grant Amount: no cost service only

Funding Period: October 2018-2019

Project Director: Xiaoyang Behlendorf

**Description:** The grant will pay to continue digitization of the collection including sound recordings, documents, photos by an outside company selected by California Revealed. The collection will be made available on the California Revealed website and the college website will have a link as well.
