Subject: **2017 – September Update**

FUNDED

Project Title: **Upward Bound Math Science - Funded**

Funding Agency: US Department of Education

Grant Amount: $1,319,690

Funding Period: 2017-2022

Project Director: Julia Mendoza
Description: Project will provide participants academic support to increase secondary graduation and post-secondary attendance. Participants will have access to after school tutoring (4) times a week, 8 Saturday Academy sessions per

semester, and a six week summer program that will provide LAUSD credits or LACCD units. Participants will also have access to post-secondary campus tours/cultural field trips not otherwise available to them. Project will have four objectives (1) increase participant overall GPA (2) increase proficiency level rate in math and English (3) increase graduation rate (4) increase post-secondary enrollment.

RENEWED

Project Title: **ICT & Digital Media Regional Deputy Sector Navigator – Renewed**

Funding Agency: CCCCO - EWD

Grant Amount: $200,000

Funding Period: 2017-2018

Project Director: Dan Watanabe

Description: This is a proposal to renew the Deputy Sector Navigator grant from the California Community Colleges Chancellor's Office Department of Economic and Workforce Development information Communications Technologies and Digital Media Sector. Working under Sector Navigator Steve Wright, the LA Region Focuses on curriculum development, revision, and articulation both upward with four year universities and down to K-12. The grant covers the eighteen colleges in the Los Angeles Region, including not only the nine campuses in LACCD but also the other nine campuses including Santa Monica, Pasadena, Glendale and Mt. SAC.

CORRECTION

Project Title: **Workforce Accelerator 5.0** - **FUNDED**

Funding Agency: California Workforce Development Board

Grant Amount: $240,000 **($250,000)**

Funding Period: 2017–2018

Project Director: Marni Roosevelt

Description: Using the model of family support piloted with Workforce Accelerator 3.0, "Strengthening Working Families", lessons learned will be used to create a network that includes all AJCC's in the City of Los Angeles, as well as targeted social service agency partners. The focus of Accelerator 2 will be a shift from participants to partners; to create a culture of holistic service to fill in gaps for our shared participants and continue best practices in workforce development that leads to sustainable employment. This will create a new network in the City of Los Angeles that will embed holistic family support into workforce training academies.

The successful placement rate of the Academies will highlight the need to address participants and their varied family and mental health needs, as a vital component of their success and ongoing economic advancement.

NOT FUNDED

Project Title: **USDE-FRC CCAMPIS** – **Funding Withdrawn by the Funder**

Funding Agency: US Department of Education

Grant Amount: $ 965,776.00

Funding Period: 2017-2020

Project Director: Marni Roosevelt

Description:

This proposal is a collaboration between the Child Development Center, Family Resource Center, CalWORKS and the Workforce Training departments to reduce the continuous wait list for (schoolage) after school, evening and Saturday child care. The project will 1) Reduce the current waitlist and 2) Provide low-income student partns, particularly single mothers, with holistic family support services to help them balance school, work and family obligations.
