

AB 705 MATH and ENGLISH GUIDED SELF-PLACEMENT

(AB 705 requires all California Community Colleges to maximize the probability of students entering and completing transfer-level math and English courses within a one-year timeframe by using multiple measures.)

Student Name _____

Student ID Number _____

1. What was your unweighted high school G.P.A. (grade point average)? _____ (Please enter a value from 0 to 4.0).	
2. a. In what grade level was the last English course you took? _____ (Indicate the course title if known).	3. a. In what grade level was the last math course you took? _____ (Indicate the course title if known).
b. What grade did you receive? _____	b. What grade did you receive? _____
c. What is your comfort level with taking a college-level reading and composition English course? _____ (Based on a scale of 1-10, with a 10 being most comfortable).	c. What is your comfort level with taking a college-level math course? _____ (Based on a scale of 1-10, with a 10 being most comfortable).

After completing the Los Angeles Valley College Guided Self-Placement, I will place myself in the following math class(es):

Math College Level Courses

- Statistics 101 (Statistics for the Social Sciences)
- Math 215 (Principles of Mathematics 1)
- Math 227 (Statistics)
- Math 238 (Calculus for Business and Social Science 1)
- Math 240 (Trigonometry)
- Math 245 (College Algebra)
- Math 259 (Pre-Calculus with Trigonometry)

Foundational Skills Math Courses

- Math 110 (Introduction to Algebraic Concepts)
- Math 112 (Prealgebra)
- Math 115 (Elementary Algebra)
- Math 120 (Plane Geometry)
- Math 121 (Elementary Geometry for College Students)
- Math 122 (Intermediate Algebra for Statistics)
- Math 125 (Intermediate Algebra)
- Math 134 (Accelerated Elementary and Intermediate Algebra)
- Statistics 100 (Foundations of Statistical Reasoning)

All transfer-level math courses (Math 215, 227, 238, 240, 245, 259, and Statistics 101)

English College Level Course

English 101 (College Reading and Composition 1)

Recommended Support Courses:

- English 72 (English Bridge)
- Math 100 (Mathematics Workshop)
