LACCD – BY THE NUMBERS

- Nine Colleges
- LACCD serves over 230,000 students
- Completions
 - 48 BA Degrees
 - 15,354 Degrees
 - 10,352 Certificates
 - 1,647 Noncredit Certificates
 - 1,313 Private and out-of-state transfers
 - 5,328 CSU Transfers
 - 1,183 UC transfers

DUAL ENROLLMENT

- Offering credit courses to high school students during the school day
 - Credit for college and high school
 - Exclusive to high school students
- CCAP focuses on expanding offerings to students who may not have already been college bound.
- Has a programmatic focus developed between the college and high school with a student goal in mind
 - “College Pathway” aligned with the General Education requirements for an AA degree, or within the IGETC or CSU Breadth requirements for transfer.
 - “CTE Pathway,” aligned with a specific career track

DUAL ENROLLMENT OUTCOMES

- CCRC evaluated eight dual enrollment programs involving 10 colleges and 21 high schools
 - More likely to graduate from high school
 - More likely to transition to a four-year college rather than a two-year college
 - Less likely to take basic skills courses in college
 - More likely to persist in postsecondary education
 - Accumulating more college credits

RE-ENVISIONING REMEDIATION

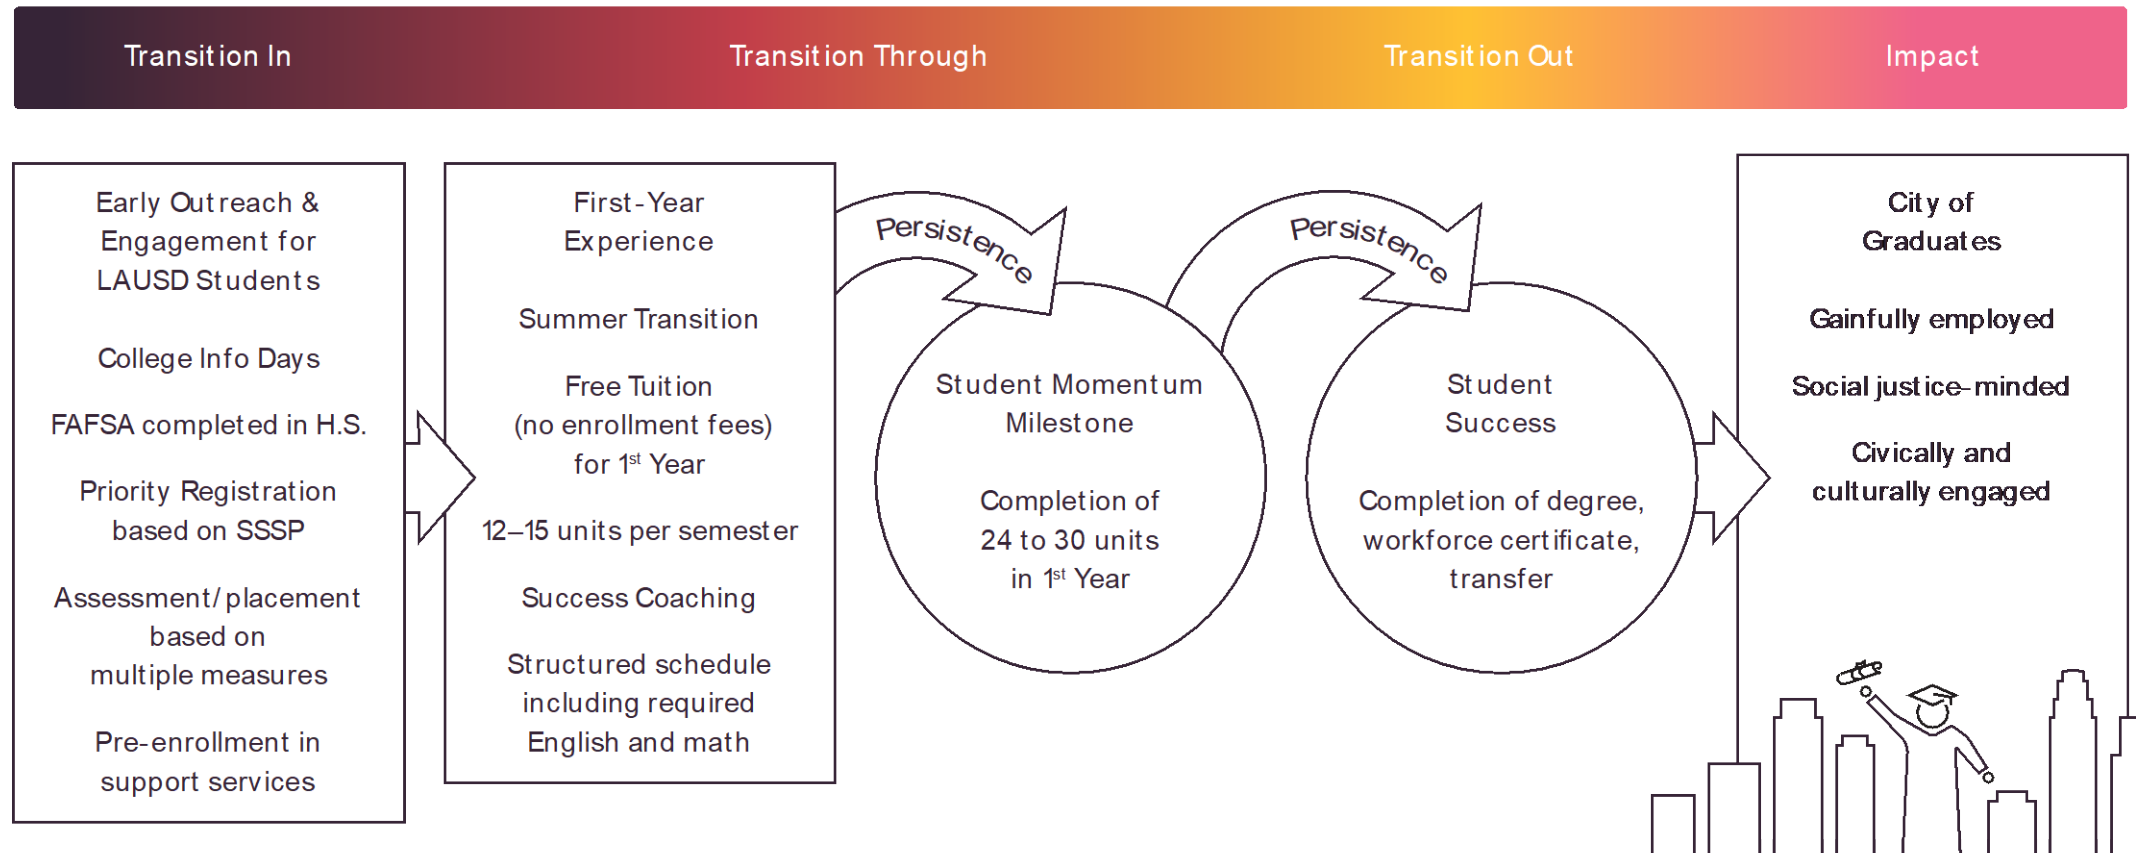

- High school performance data (GPA, coursework, course grades) now used for placement
- Placement must provide the student with the greatest opportunity/likelihood of succeeding in the transfer-level course
- Most students placed at transfer-level
 - All students have the right to transfer-level
- No courses more than one level below transfer will be offered at LACCD
- Students passing Intermediate Algebra in High School do not need to take math for local AA degrees
