Q: A brief recap or highlights of the entire program review document. (500 words or less)

- Highlight major strengths and weakness.
- Highlight areas for improvement over the next 3-6 years.

Response:

The Office of Outreach and Recruitment continues to grow, expand and provide comprehensive first time enrollment services to a large and diverse population of students. The Office has maintained a high level of service even in times of low funding. The office needs to continue to grow and effectively provide service so that a greater number of students can be enrolled through the program.

Over the next 3-6 years the Office of Outreach and Recruitment needs to become the central office for all outreach activities from LAVC. The Office also needs to take a lead in the development of publications to effectively market the campus and services. Finally, staff will need to continue to be allocated to ensure that all students interested in LAVC have the opportunity and ability to access the campus.
