

### Executive Summary

Q: A brief recap or highlights of the entire program review document. (500 words or less)

- Highlight major strengths and weakness.
- Highlight areas for improvement over the next 3-6 years.

**Response:**

Hector Salazar and I (Bruce Hurt), regardless of our limitations will endeavor to persevere. Though we are hopeful that the District can provide more training on the newly dispersed handheld scanners, we are certain that no new accommodations will present it. Regardless of this shortfall we have and will maintain the level of service that this campus has come to expect. Our commitment is to the staff and the student body at large and the superior level of service, that they have come to expect.
