

**Los Angeles Valley College
Course Level Student Learning Outcomes (SLO)**

Course Name and Number: Supervised Learning Assistance 001T

Course Title: Tutoring

Cross-Listed Course Name and Number (if applicable): N/A

Establish 1–2 course level student learning outcomes and indicate how each SLO will be assessed.

	SLO 1	SLO 2
Course Level Student Learning Outcome (As a result of this course, students will be able to...)	Students who are tutored demonstrate improved performance in tutored subject	
Assessment Activity (What will students do to show they achieved the outcome?)	Students who received tutoring services will pass the course for which they were tutored, and through a survey, they will be able to explain at least one strategy learned from their tutoring session and how they implemented it in their own learning.	
Assessment Measure (How will instructors evaluate what the students have done?)	Instructors will evaluate the student's grade in the course for which the student was tutored and analyze a survey to determine what strategies students learned through the tutoring session.	

This form should be uploaded to the ECD for the course in Section VIII: Addenda
