## Student Right-To-Know Disclosure

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the Los Angeles Community College District and Los Angeles Valley College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2006, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Los Angeles Valley College, nor does it account for student outcomes occurring outside this three-year tracking period.

Based upon the cohort defined above, 17.41 percent attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2006 to spring 2009. Students who are 'transfer-prepared' have completed 60 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 14.14 percent transferred to another postsecondary institution, (e.g. UC, CSU, or another California Community College) prior to attaining a degree, certificate, or becoming transfer-prepared during a five semester period, from Spring 2007 to Spring 2009.

Further information about Student Right-To-Know Rates and how they should be interpreted can be found on the California Community Colleges Chancellor's Office Student Right-To-Know Disclosure website at: <http://srtk.cccco.edu/index.asp>.
