

Child Development Majors:

CAST wants to help YOU succeed!

As a participant of the CAST Program, you will:

- Receive individual and group mentoring.
- Have priority access to the Writing Center (to avoid waiting in line).
- Be invited to attend free workshops, conferences, CPR Training, and other events related to the Child Development field.
- Receive personalized advisement towards completing your educational goals.
- Be eligible for financial support upon successful completion of requirements.

Eligibility Requirement to join CAST:

- *You must be majoring in Child Development and completing coursework leading to a certificate, permit, associate degree, or transferring to a four-year university.*

Please check with the office of Admissions and Records to confirm that your major is listed as Child Development before you apply.

SPACE IS LIMITED ~ Apply Today!
