**Major Requirements:** Minimum of 18 units in a single or related field. Effective for all students entering Fall 2009 or later, each course counted towards the major or area of emphasis requirement must be completed with a "C" (2.0 or equivalent) or better.

2. **SCHOLARSHIP REQUIREMENT:** A "C" (2.0) grade-point-average or better.
3. **RESIDENCE REQUIREMENT:** Completion of at least 12 units of credit in residence. When the major is offered at multiple colleges in the LACCD, the degree shall be conferred by the college where the student has taken the majority of units in the major.
4. **READING AND WRITTEN COMPETENCY:** Completion of the following course with a grade of "C" or better:  
English 101 (or its equivalent at another college); A score of 3 or higher on the following AP Exams:

6. **Three general education plans** are offered at the colleges of the Los Angeles Community College District (LACCD) to meet the general education requirements for the associate degree. The LACCD GE Plan is appropriate for students planning to earn an associate degree without transfer. Students planning to transfer to a four year university should follow either the CSU GE-Breadth plan or the IGETC plan. This plan may NOT be used for Associate Degrees for Transfer (ADTs). ADT degrees require completion of either CSU GE or IGETC (for CSU). Meet with a counselor to discuss your options.

*Please see a counselor and check the LAVC college catalog for specific major requirements.*
