**Vision:** Los Angeles Valley College is a beacon for teaching and learning, research, creativity, collaboration, and the free exchange of ideas in a climate of openness and respect.

**Mission:** Los Angeles Valley College serves the community by providing transfer, degree, vocational, transitional, and continuing education programs in an attractive and accessible learning environment that fosters student success. Embedded in these programs are the greater goals of critical thinking and life-long learning which are necessary for success in the workplace and for furthering one's education and personal development.
