

## **Academic Journal Search**

- Go to the LAVC Library website link which allows you to search INFOTRAC by going to this link:  
[http://infotrac.galegroup.com/itweb/lavc\\_main](http://infotrac.galegroup.com/itweb/lavc_main)
- Once there, type in the password: green  
and then click: Proceed
- Click: Expanded Academic ASAP
- Notice on the left sidebar menu, that it automatically selects “Subject Guide” search. This is fine. However, you may want to return to this page and try the search again with the Keyword search option.
- Type in as your search term
- Check: limit to articles with text (if you want to be able to get the entire article online. Otherwise you may need to go into the library to get a hard copy of the article)
- Click: Search
