1	Not compatible with all browsers and computers	3/16/2015 9:55 AM
2	iT's not full featured enough. Etudes does what i need.	3/15/2015 7:31 PM
3	Did not work well from home.	3/13/2015 9:23 PM
4	Although that I use ETUDES instead is the main reason I've not used it, I also was unable to even logon to it when I DID try to use it several years ago, when it was first developed, and I have never been able to use it.	3/12/2015 8:59 PM
5	I am unable to track grades.	3/12/2015 10:53 AM
6	It was so unreliable that my time was wasted just entering material that students could not access. Furthermore, it gave different results in different browsers--more unreliability. Often the system is just broken down.	3/12/2015 7:21 AM
7	There were some problems like the links did not work, students could not open documents, and it took too long for adding students to have access. Some browsers were worse than others. So, I find it easier to use a dropbox.	3/11/2015 9:51 PM
8	It is unsupported and as good as dead.	3/11/2015 9:04 PM
9	Really? Supported, not supported, works, doesn't work. It's GHETTO. So unprofessional.	3/11/2015 9:00 PM
