68	The library should be open everyday from 7:00am to 9:00pm.	11/29/2014 4:56 PM
69	the hours should be for 7 days a week and stay open until midnight. some students have jobs and home life that prevents them from making normal studying hours. others tend to work better late at night than during the day. stop trying to accomodate only what is normal and fit all students.	11/29/2014 2:20 PM

## Library Hours Survey

88	I have a morning class at 8 am and I know as soon as the library opens (8 am) people rush in to print things out for their early class (me too). Since I don't have a working printer at home, I have to wait for everyone else to be done and it makes me late for my class.	11/26/2014 12:56 AM

#	Responses	Date
1	The library truly helps me stay focused, whenever I go.	12/8/2014 5:57 AM
2	I would really appreciate if the library would be open for longer hours because some students have to work and want to be able to study.	12/7/2014 10:46 PM
3	I feel like evenings are more important than early morning.	12/7/2014 2:41 PM
4	could be open until midnight. students need a place away from home.	12/7/2014 11:37 AM
5	It would be great to have the library open longer hours on Saturdays	12/6/2014 9:28 PM
6	Not about the hours however, most of the time that I go a lot of people are watching videos or on Facebook when other students do need the computer for school purposes.	12/6/2014 5:42 PM
7	all of the above would be great	12/6/2014 5:35 PM
8	If the library would be open Sundays too, it would help many working students study on the weekends with groups.	12/6/2014 11:15 AM
9	Full time workers need to have late night and weekend access to do classwork. Many times with families the home is a distraction and not a good place to focus on studies.	12/6/2014 10:31 AM
10	Please also leave it open until at least 9. 8 is very early.	12/6/2014 9:47 AM
11	More hours weekends evenings and Fridays! Working students can't make these hours.	12/5/2014 8:47 PM
12	also, option 3: saturdays 10 - 2	12/5/2014 7:59 PM
13	The library should also be open, specifically during midterms and finals.	12/5/2014 5:08 PM
14	If possible, Fridays 1:00 - 6:00 PM would be fantastic as well!	12/5/2014 3:57 PM
15	MORE TABLES UPSTAIRS, AND MORE EMPLOYMENT OPPORTUNITIES	12/5/2014 2:46 PM
16	Sat is my #1 top choice but if we can do ranking, Fri afternoons would be 2nd choice and being open until 9pm M-Th would be my 3rd choice. Any of them would be helpful.	12/5/2014 2:13 PM
17	Library hours should be a little longer than what it is now, in order for students who take night classes are able to print and use the library.	12/5/2014 12:41 PM
18	The hours should be consistent, even during winter and summer sessions.	12/5/2014 11:25 AM
19	Most of the time that I have free time to do research is on Saturday. I think many students will benefit from having extended hours on Saturday because there is less classes and mostly early Saturday classes.	12/5/2014 11:00 AM
20	In addition, more hours on the weekend could provide people with an opportunity to find a comfortable, familiar study area when school isn't in session.	12/5/2014 10:36 AM
21	I have time saturdays, but library closes too fast	12/5/2014 9:25 AM
22	Also Saturday 10am - 2 pm	12/5/2014 8:47 AM
23	The computer commons is open until 9 M-Th. This is great, and should continue. But we either need more computers downstairs in the library or to expand the commons hours so that it opens at 8 a.m. We need the late hours, but the early hours would be helpful as well.	12/5/2014 8:13 AM
24	Longer library hours would be very beneficial to the students, especially those like me who take evening classes!	12/5/2014 3:21 AM
25	Computer lab would be nice too.	12/5/2014 1:21 AM
26	I have a class on Friday and a lot of time after it to study, but I can't, because the library is closed early on Fridays.	12/5/2014 1:03 AM

## Library Hours Survey

27	I think all three of #2 are a good idea. Many students come at night, and I think Sat. is a good idea, too. The Writing Center should be open longer, too.	12/4/2014 11:41 PM
28	It would be great if it were open on weekends, I'm guessing Friday and Saturday since people don't normally work on Sunday. At times I need a wide space or peace to be able to get my work done and it would be great if I was in an area where there were the exact resources for my classes.	12/4/2014 9:31 PM
29	Everything is great. Thank you.	12/4/2014 9:29 PM
30	Definitely longer hours for Saturday. Thanks a lot ...	12/4/2014 9:24 PM
31	No comments	12/4/2014 9:00 PM
32	Open weekends as well stop being lazy go back to the little trailer days...	12/4/2014 8:34 PM
33	Open past 3pm on Fridays	12/4/2014 8:00 PM
34	Saturday: 8AM to 3PM	12/4/2014 7:16 PM
35	Classes Monday through Friday nights end at 9:55 pm. The library should be open at least until then. Also, the Fireside room in the Campus Center building is closed almost every time on Thursdays. I have to track down security to open the place. There is no place to study because the library closes at 6:45 and the Fireside room is hardly open. Most of the classrooms are either locked or being used by a class. We need more places to study!	12/4/2014 6:54 PM
36	It is really stupid for a college library to be closed on weekends.	12/4/2014 6:31 PM
37	None	12/4/2014 6:25 PM
38	It would be better if we can use it overnight as well.	12/4/2014 6:01 PM
39	should be opened on the weekends and have more printers also have the computer lab open i the mornings for those who want to finish homework or want to print assignments	12/4/2014 4:55 PM
40	Can the mathlab be open earlier? it's really helpful	12/4/2014 4:47 PM
41	and more hours needed on Friday	12/4/2014 4:02 PM
42	Weekdays open till at least 9 pm	12/4/2014 2:29 PM
43	I'd actually like to have the library open for all of the extended hours options above but if I had to select just one, it would be the M-Th, 7-9PM option as the most valuable to me and my schedule.	12/4/2014 1:49 PM
44	Thank you.	12/4/2014 1:48 PM
45	I think adding more hours on Friday is a great idea, however adding additional hours on Saturday would really help those who cannot make it to the library because of work.	12/4/2014 1:28 PM
46	The access to the second floor is so awkward that people prop the doors open to accommodate needs. If this is a security problem, just add another camera, but at present the library access is UNFRIENDLY.	12/4/2014 1:24 PM
47	it should be open seven days a week as a normal library	12/4/2014 1:17 PM
48	i have more time at weekend as i work during the week and library is my second home	12/4/2014 1:07 PM
49	Sunday would be great too	12/4/2014 12:21 PM
50	I think it should be open Sat. all day and Sunday at least for a few hours.	12/4/2014 12:20 PM
51	When we go to use the computers for school I see many people watching videos or shopping, maybe if it was used more for school work it would be more pleasant.	12/4/2014 12:18 PM
52	The math lab and the library are essential for any student to succeed in education, I am 44 and the only reason why I am passing my classes is because of the math and libraries resources, it would be ideal to have them open as much time possible for the educational well being of the students.	12/4/2014 12:08 PM
53	It will be better if the time is extended for students to have better access to the computer pool and books, due to the facts that some students don't leave class early enough because of their schedule.	12/4/2014 12:04 PM
54	the earlier it is open the better it is. I will be content with having the availability to have somewhere to go before class to warm up my brain and collect my thoughts before class begins.	12/4/2014 11:41 AM
55	Instaead of opening longer can you open earlier like you use too. 8:00 am was a good time.	12/4/2014 11:33 AM

## Library Hours Survey

56	If it were up to me, the library would always be open. My grades depend on the availability of library hours and student conference rooms	12/4/2014 11:31 AM
57	The library is the best source for educational references and a good play to study. it would be nice if it would be open longer to be able to use it for those purposes.	12/4/2014 11:28 AM
58	Maybe open earlier than 11am Monday through Thursday	12/4/2014 11:22 AM
59	As someone who has taught for over 3 decades at LAVC, our Library used to serve our evening and weekend students (particularly our many students who work M-F day jobs). We also used to serve our students through better staffing in the Periodicals (where Exam Study/Review Materials were on in-house reserve and course-related DVD/Videos were made available to view there at DVD-deck/TV-monitors or Computer workstations). As long as we offer evening/weekend courses, we should provide Library support for those students (not just M-F day enrollees). Please make this access be given (as in the past). Thank you.	12/4/2014 11:01 AM
60	Extending library hours will give students more opportunity to succeed at the tasks that have been assigned to them. Many Students have a school and work schedule to manage. The current hours are ideal for only a fraction of students who are attending. It is has been my experience that I have been assigned research to be completed at the LAVC library. Only to have struggled to complete my assignment due to schedule conflicts between my work schedule and the library hours provided. Weekend hours would help.	12/4/2014 10:32 AM
61	They should open earlier as well. Instead of opening at 8AM why not open at 7AM. So that students with an 8AM class can go to the library before their class.	12/4/2014 10:20 AM
62	the last lib was more quiet and better	12/4/2014 10:10 AM
63	This would help students with night classes.	12/4/2014 10:10 AM
64	I am a full time employee and I attend evening classes and sometimes I want to study after class but I can't do so because the library is close. If I go home I know I wouldn't do anything that's why having extended hours it will help me a lot I'm sure other people wouldn't mind either.	12/4/2014 10:01 AM
65	None	12/4/2014 9:55 AM
66	Public libraries are usually only open until 9 Monday-Friday and than a few hours during the weekend. As a full working parent, it is difficult to meet these requirements since I attend school in the evenings. It would be easier to have access to the school library in the evenings which is when I am usually in or around the campus.	12/4/2014 9:46 AM
67	Every day there should be a couple hours more open for the library since not everyone is able to come at reasonable time than everyone else.	12/4/2014 9:41 AM
68	NO SMOKING SIGNS OUTSIDE DOOR !	12/4/2014 9:41 AM
69	Should be open later for people who have night classes could us it as well.	12/4/2014 9:14 AM
70	More hours would be great	12/4/2014 9:07 AM
71	The library should be open early at seven and close at 10.	12/4/2014 9:01 AM
72	More computer access	12/4/2014 8:41 AM
73	Good	12/4/2014 8:32 AM
74	Is a very good library where students have the ability to complete any assignments and the resources are great.	12/4/2014 8:31 AM
75	Maybe stay open til 3pm on Saturday's.	12/4/2014 8:22 AM
76	The weekends would be great as well at least until 3 pm	12/4/2014 8:20 AM
77	Saturday would nice too	12/4/2014 8:18 AM
78	The library hours should be extended for all days Mon.-Saturday. Other colleges and universities have extended library hours, such as CSUN whose library closes at 12 am during the week. Having the library open till 10-11 pm M-F would be beneficial.	12/4/2014 8:02 AM
79	Just a little bit more	12/4/2014 7:56 AM
80	Open on weekends would allow the community to utilize the campus.	12/4/2014 7:29 AM
81	Question 2 only let me pick one - I would have chosen them all. Students need access when they're not in class!	12/4/2014 7:05 AM
82	Please open it longer earlier before class starts, prepreferably Mondays through Fridays at 5am	12/4/2014 6:56 AM

## Library Hours Survey

83	Fridays from 8am-3:00pm, I think would be a good option as well.	12/4/2014 2:29 AM
84	in the spirit of providing a productive learning environment, the library should be accessible on fridays and saturdays for a significant amount of hours.	12/4/2014 1:13 AM
85	It would just be nice to have somewhere to study while waiting for others to get out of class. Maybe have certain parts of the library closed off so you can have a better view of the few that are there.	12/4/2014 12:40 AM
86	This will cater especially to night class students. If costs is a concern, maybe only certain parts of the library would just be kept open?	12/3/2014 10:21 PM
87	Longer hours	12/3/2014 10:19 PM
88	Students can study longer at the library for the new open hours	12/3/2014 10:13 PM
89	Monday through Saturday 8am to 10pm	12/3/2014 10:01 PM
90	Friday 10am to 2pm Saturday 9am to 12 pm	12/3/2014 9:56 PM
91	I want my students to write their papers in the library.	12/3/2014 9:44 PM
92	Friday and weekends are the days that we dont have class and we have time to study	12/3/2014 9:32 PM
93	I think the library should be one when ever classes are in session. I have classes that meet until 10:15pm and at points in the semester my students need to use the library during class time, but can't because it's closed.	12/3/2014 9:32 PM
94	None at this time, thank you.	12/3/2014 9:31 PM

97	Can it be open longer hours on Saturday also?	12/3/2014 9:09 PM
98	It would be great to come and print things later at night! Even study rooms would be awesome to get those 2 hours to take advantage of! The best idea ever!	12/3/2014 8:54 PM
99	I often want to go on the weekend because that is when I have the most free time.	12/3/2014 8:51 PM
100	Some more math lab hours would be nice.	12/3/2014 8:51 PM
101	see above	12/3/2014 8:39 PM
102	students are in school more days and need alternate hours.	12/3/2014 8:33 PM
103	All the staff are great.	12/3/2014 8:29 PM
104	Computer Lab should be open longer as well.	12/3/2014 8:27 PM
105	longer library hours are very helpful for those students that have evening classes, weekend or classes. It helps them have study sessions with other students on nights that they don't have class but fits their scheduals.	12/3/2014 8:25 PM
106	Working students and parents need it!!	12/3/2014 8:24 PM
107	There are classes on Friday that will come in need for a computer to do research project. Most students dont have classes on Friday, so it will give them more time to work things on the computer. There are student with financial problems and are in the need of renting the books to study.	12/3/2014 7:27 PM
108	At Cal State Northridge, some nights they are open til midnight. That would be great if LAVC had perhaps 2 or 3 nights a week where The Library is open til midnight.	12/3/2014 5:46 PM
109	Have Sunday hours as well, especially during finals	12/3/2014 5:26 PM
110	It would be very helpful if the library was open late. For those of us who work during the day, it's frustrating to have such limited time in the library during the evening.	12/3/2014 1:57 PM
111	I would like to thank the college for there persistence in helping me further myself Thank You and Merry Christmas and Happy New Years	12/3/2014 1:32 PM
112	Most night classes don't end til ten o clock and on a few occassions i've had professors request that I draw material from the internet and give us a chance to use tablets,computers and cell phones but because the library is closed i don't have the access i need.	12/3/2014 12:27 PM

## Library Hours Survey

113	I work during the day and come out from work after 5 pm. It would help greatly if you would be opened Saturdays and Sundays from 9:00 am to 5:00 pm	12/3/2014 10:37 AM
114	For students that need to access the library before 8 AM classes, it would be useful to open it earlier in the morning.	12/3/2014 9:01 AM
115	Add Sunday	12/3/2014 8:11 AM
116	With longer hours I can work around my employment hour and school hours.	12/3/2014 5:53 AM
117	maybe open a little bit early on fridays because a lot of people work an they want to finish things up on time	12/2/2014 9:29 PM
118	Longer hours at the library provides a safe place to study and meet classmates for study groups. This is especially helpful during midterms and finals.	12/2/2014 4:39 PM
119	Something that whoever is in charge has to understand is that a lot of students in community colleges work full time; therefore having the library closing at 7 pm doesn't benefit them at all. By the time they are off from work, the library is already closed. The library should close at least at 10. Which is when most classes are finished. Having the library close at a later time will benefit a lot of students.	12/2/2014 4:14 PM
120	Library staff is very helpful!	12/2/2014 3:28 PM
121	I have been a Valley student for many years and always use the Library. The old Library used to be open on Saturdays. That is my best studying day. Ever since the brand new building opened the hours have been less. And...the floor and restrooms are always filthy!	12/2/2014 3:21 PM
122	Library should close at 11pm	12/2/2014 2:06 PM
123	It would be nice to have the library open not just because it is a part of our school's obligations to offer us that option, but because if anything happens at home or we need something and aren't currently anywhere near any public library our library is there available for us. TO USE! I would greatly appreciate it because if we are in need of waiting for our ride or parents to pick us up late, we have somewhere safe and confident that we know where we are. THANKS FOR THIS OPPORTUNITY	12/2/2014 12:39 PM
124	The hours should be extended for students that attend night classes. Many are not able to attend the library in the early hours due to work. Extended nightly hours will benefit many students.	12/2/2014 10:55 AM
125	survey student need	12/2/2014 10:44 AM

129	and saturday 10 am-2pm	12/1/2014 9:42 PM
130	I feel in general everyday the library should be open a bit longer for students.	12/1/2014 9:04 PM
131	when ever there is a class in session the library should be open to students.	12/1/2014 7:53 PM
132	M-R 7-9pm, F 1-3pm and Sat. 10am-2pm, I would like to see the library open all those hours.	12/1/2014 6:12 PM
133	Having the library open just a few hours later on Saturdays would be great!	12/1/2014 4:13 PM
134	Library hours for Friday and Saturdays should be from 8:00 Am to 1:00 Pm because usually students don't have time to do their work on the week and it's this would be a chance for us to do better.	12/1/2014 4:05 PM
135	And Saturday hours	12/1/2014 4:03 PM
136	Librabry hours are horrible they are open during my classes. I would love to come to library 3 am on saturdayand study	12/1/2014 1:40 PM
137	ALL of them actually	12/1/2014 1:34 PM

140	will be awesome if I can go to the library on saturday before my class	12/1/2014 12:40 PM
141	Opened during finals for longer hours would be best! Like universities.	12/1/2014 11:57 AM

148	open on weekends longer works best for me!	11/30/2014 11:46 PM
149	please keep operations open untill 9 p.m everyday.	11/30/2014 11:21 PM
150	Sat 10-5pm	11/30/2014 11:20 PM
151	LAVC really needs the library to be open later specially when students work and get off at 7:30 and need to study until 11p.m	11/30/2014 11:11 PM
152	Have the Friday hours open earlier. Like around noon for better use of the resources.	11/30/2014 8:47 PM
153	Even on Saturdays if is possible to be open for more hours, like around 4 p.m. Thank you	11/30/2014 8:45 PM
154	It would be nice if the computers upstairs had longer hours as well. Sometimes the computers on the first floor fill up fast, especially in the morning right before a class, and its especially crowded when the upstairs room is still closed.	11/30/2014 5:29 PM
155	As an employee of LAUSD, who has no other access to internet at home, Friday from 4:00PM to 7:00PM would make a huge difference. Of course, employees would not want to work at that time.	11/30/2014 3:35 PM
156	It would be most helpful if the library were open to at least 8pm Mon-Thur. My second choice would be Sat 10-2.	11/30/2014 3:14 PM
157	Longer hours during the week	11/30/2014 2:54 PM
158	It would be very useful if the library could be open Mon.-Fri. to at least 9pm. Especially with finals coming around. We students need as much time in tat library as possible.	11/30/2014 2:21 PM

160	it would be nice if the library were open on Friday from 11:00 - 3:00pm on Fridays - some of us only have that day free to study.	11/30/2014 10:47 AM
161	The LAVC library is a nice and peaceful place which is a wonderful place to study on the weekends, so the longer hours would really help.	11/29/2014 11:42 PM
162	extended hours for Friday , Saturday	11/29/2014 10:33 PM
163	Some people work all week during the week, Weekend availability would be great!	11/29/2014 9:51 PM
164	Mon to sat 7:00 - 10:00pm	11/29/2014 9:44 PM
165	The library is a great place for me to focus and get lots of work done. And some days my classes let out past 7, so it would be nice if the library was open until nine.	11/29/2014 6:48 PM
166	Some of us don't have access to printersm sometimes computers, and most importantly a quit place to study and do homework. Our library offers that but the hours and days open are not great. If the library was open every single day from 7:00-9:00, more students will be able to achieve better grades and excell their study habits.	11/29/2014 4:56 PM
167	upstairs above the library, the computer room should open at 7:00 or 8:00 am as well. Their is not enough computers in the library for students to have access to. Everyone I hope is going to school to get a great education, and some students cannot afford computers, also when you leave any of your tablets or laptops in your classroom by accident they aren't return back to you. Also some students cannot even afford the internet so they are subject to use the library to do homework where their is Wi Fi available to do there homework.	11/29/2014 2:04 PM
168	The rooms upstairs should be open saturday and sunday for students to study for exams the following week.	11/29/2014 1:53 PM

## Library Hours Survey

169	Definitely Should Be longer hours for those who have work and cant alwaysa make it before it closes. We be a HUGE help!	11/29/2014 1:06 PM
170	I think the library is a great place that I am able to focus much more than I am while at home. It also allows for a place were study groups can be effective and managed.	11/29/2014 1:09 AM
171	It is very difficult to use the quiet environment and library resources for completing assignments and study when the hours are very limited. It is understandable for the library hours to be shorter during regular weekdays when students are more likely to attend evening classes or retire for the remainder of the night, but when midterms and finals are coming close, having a shift in schedule could be very beneficial, along with additional hours on Fridays and Saturdays.	11/28/2014 10:40 PM
172	I would enjoy it greatly if the library would stay open until 7 and not 6:40.	11/28/2014 8:21 PM

## Library Hours Survey

231	I'm in a class that uses 'Finale' and 'Pro Tools'. Located in the lab upstairs are Macintosh's that doesn't accommodate the software. Is there a way to petition to have access to in the lab or library?	11/25/2014 11:17 PM
232	Most of the students (including me) take night class, which is a strong indicator that most of us work a day job or a 9am - 5pm schedule and the library closing at 7PM on weekdays is very inconvenient. I would suggest longer hours on the weekdays as well as open on Saturday.	11/25/2014 10:33 PM
233	It would be nice that during critical testing times the library remain open later and in weekends should be accessible. If you can waste money in new buildings that are getting built at the maximum highest costs, you can open the library for extra hours	11/25/2014 10:12 PM
234	the library is a great resource for all students that dont have access to a computer and books. there are public libraries but they are way over packed. hope it happens.	11/25/2014 9:55 PM
235	Just longer friday hours	11/25/2014 9:46 PM
236	I think that the library doesn't open Fridays because I wanted to go for some weeks (Fridays) and is always closed.	11/25/2014 9:44 PM
237	the library being open longer would help me dedicate more effective time to school because there's no other place besides home that can be great for studying. (And I don't want to always be home)	11/25/2014 9:36 PM
238	It should be open when I'm not in class... Friday and Saturday afternoons.	11/25/2014 8:48 PM

240	More time to study and not have to rush through assignments.	11/25/2014 8:33 PM
241	The study room rules should relax slightly during the potential Saturday hours.	11/25/2014 8:13 PM

249	I would suggest to check how many classes we have on campus that end around 7:00 pm. It is more likely that the 7 to 9 pm extension might attract mostly the students that come from classes ending around 7. Many classes start at 6:45 pm and end almost 10:00pm and will not be the ones using that library time.	11/25/2014 5:48 PM
250	Most public libraries are closed now in the evenings and Fridays and weekends. We really need all of the above hours. The library should be open until 10pm everyday!	11/25/2014 5:47 PM
251	Monday and Saturday extended hours would be great too.	11/25/2014 5:24 PM
252	All would be nice, we could use the resources.	11/25/2014 5:18 PM
253	I don't know enough about the library hours and the need to answer this survey. Maybe an explanation of the current hours and if there is a need would be helpful. Please ignore my answer to #1 as I don't really know. If it will help with student success then it is a good idea.	11/25/2014 5:15 PM
254	some people work full time and have no time during work to go to the library to use the writing center or computers	11/25/2014 5:14 PM
255	I believe the added hours on multiple days makes it easier for most students	11/25/2014 5:01 PM

## Library Hours Survey

260	For someone that works all day, then takes 2 night classes my only option to go to the library is on the weekday evenings I don't have classes. Having the library stay open later would be really helpful.	11/25/2014 4:23 PM
261	It needs to be open at least at 7 a.m	11/25/2014 4:18 PM

275	Open later weekdays and open Saturdays	11/25/2014 3:18 PM
276	You guys should also extend Saturdays since it is a college day as well, at least to 7p.m.	11/25/2014 3:14 PM

278	ITS IMPORTANT THE LIBRARY TO BE OPEN LONGER	11/25/2014 3:08 PM
279	Working students would benefit from being able to come to the library during the weekend.	11/25/2014 3:06 PM

## Library Hours Survey

292	I would love it if they were open on Saturday as well. If Saturday classes are offered, then the library should reflect that.	11/25/2014 2:21 PM
293	It would be really great if the library was open for a few hours over the weekend for those of us whose only free time is during the weekend. Thanks for considering!	11/25/2014 2:20 PM
294	I ALWAYS WANTED LONGER HRS, BECAUSE I USUALLY DON'T HAVE ENOUGH TIME TO STUDY AT HOME AND NEED TO STUDY SOMEWHERE ELSE. THE BEST PLACE IS SCHOOL LIBRARY BUT IT CLOSES TOO SOON.	11/25/2014 2:19 PM

296	sometimes night classes get cancelled during the weekday instead of going home and doing nothing Id like to go to the library and use take advantage of the studying environment	11/25/2014 2:17 PM
297	When it comes to dedicated students, the library can sometimes be like a second home to us. Giving students that opportunity to spend those extra hours studying and on school work will give them a better chance to succeed with any course they may be taking. Not everyone may have the same life, but a library that can provide essential resources to a student within a longer period of time can give him/her the edge they need to succeed.	11/25/2014 2:13 PM
298	Fridays to open early and close aroun 2pm. Also the study rooms are very dirty. Like the tables have writing on them. People write on the white boards with markers that you can erase.	11/25/2014 2:12 PM

301	Should have longer hours including weekends during and before finals.	11/25/2014 2:04 PM
302	Please add more hours for Fridays too. A majority of the students who take Friday classes need to use the library too.	11/25/2014 2:03 PM
303	I would like to work up until the time they close instead of being rushed out 15 minutes before time. They shut off computers and printers randomly. There should be signs posted instead of the staff talking about going home.	11/25/2014 2:02 PM
304	During finals week, the library should stay open till at least 11pm.	11/25/2014 2:02 PM

327	All of the above would be great because many students work and are single parents.	11/25/2014 12:22 PM
328	It would be of great benefit for all the students for the library to extend their hours because students who do not have the opportunity to study during the day would benefit for going there in the evenings.	11/25/2014 11:47 AM
329	Thank you	11/25/2014 11:18 AM

345	Students like me do not have another place to go and be able to concentrat on school work . I'm a single mom working and going to school full time . I live with my mother who also works but she is done with her day before I am meaning my daughter gets dropped off to my mom by the babysitter and although tired ,she kindly watches my daughter until I get home. So if I have homework to do I have to try to get it done before I walk in my door because as soon as I get home there is no way of me attempting to do anything that does not include involves my baby. My mom is tired and I understand she just want to get some sleep. I've had to sit in the laundry room of the apartments I live at just to get some work finished. Having the library close at later times will provide a go to place to students with situations like mine.	11/24/2014 10:07 PM

363	Should be open overnight for finals week. It would be extremely helpful for students to be able to study together on campus	11/24/2014 6:21 PM
364	We need more computers available on the library since the computer lab closes so late in the morning, students have to wait longer to print documents from 8 am to 11am since there is no organization and the library people careless about making students respect turns to use the computers	11/24/2014 6:14 PM

383	More Computers and More Printers	11/24/2014 3:14 PM
384	I think 9 isn't cutting it for a lot of "working" people. I say that based on my own schedule. I have a full time job, and have classes and sometimes wished the library was open till maybe 10+ since i can't study other hours due to classes.	11/24/2014 3:11 PM
385	Sunday 10am - 2pm	11/24/2014 3:09 PM

395	More university level books please	11/24/2014 2:16 PM
