10	The staff is always friendly and I love the library! Very clean and always a place to sit even when crowded. I love the computer room upstairs, too. The only issue I've ever had was when trying to make copies. The machines didn't work, the instructions were hard to read. I even brought a friend over to help and we still had to call staff over. But that is the only VERY minor 'complaint' I have. Thank you!	5/19/2015 10:47 PM

34	The Ladies at the circulation desk are very rude. I've had several bad experiences with the lady named She has poor customer service skills, speaks in a condescending manner to students, and makes going to the library an emotionally taxing activity. Also the lady named to just as negative and extremely rude. I no longer go to the lower level library just to avoid them. Perhaps some sensitivity training would help them with these issues. 47	Open study areas in the library are good, but could be a lot better on the second floor. There is a huge space near one of the exits to the stairs that could easily have some chairs and tables placed there. Such furniture is necessary especially on weekends since the library closes early on those days and the second floor is limited in terms of the number of options for study space.	5/10/2015 12:40 PM

There's only 1 or 2 books that are available most of the time, and we only get few hours to use it because there's another student waiting on the list. 311	why aren't there stairs in the library to go to the other floors	5/1/2015 1:07 PM
312	Sometimes the library should ask students that are being too loud and disruptive like talking loudly on their cellphones or watching media too loudly to leave. There are some students who seem to use the study rooms as a hang out rather than a study area.	5/1/2015 12:56 PM
313	I feel that the LAVC library is not as quiet as it should be. There needs to be more rules to make sure that people understand that the library is meant to be a quiet place and not a place to hang out with friends and talk.	5/1/2015 12:54 PM

316	Ever since the remodeling of the library, I have found it studying in the library to be a much more pleasant experience.	5/1/2015 12:30 PM
317	Automatic assistance to where the study rooms are located such as a map of the library.	5/1/2015 12:24 PM
318	Getting a study room is a hassle, it shouldn't be so difficult. The librarians require you to print a confirmation page and won't except seeing it on your phone or checking your id...	5/1/2015 12:18 PM
319	It is often loud inside the library. Students seem to think that it is a perfect place to chat and even talk on their phones. I find it very distracting when I am trying to study. So, I usually just go outside and sit under a tree - it is much quieter. Also, quite a few students who use the computers misuse the services by looking at their Facebooks or even videogaming. It is frustrating when I need to do actual homework on a library computer, but some other person is using it irresponsibly. Perhaps there can be some type of supervision.	5/1/2015 11:01 AM
320	It is not as quiet as other libraries.	5/1/2015 10:49 AM
321	The library should persists more quietness	5/1/2015 10:43 AM
322	The front door is really loud and people come in and out...the study tables are right there and should be moved to the back or something. Please look into this ASAP. If so, I will use the library more often. Thank you!	5/1/2015 10:08 AM

Library Survey: Spring 2015

327	It is an enjoyable experience but needs to stay open longer. The library is never empty when I go in the afternoons and this shows that students want to study there.	5/1/2015 9:49 AM
328	The Wi-fi is very slow and the connection keeps dropping which makes it difficult for students to use the college wi-fi on their personal laptops in the library. I like to use my laptop in the library for studying purposes since the computers in the library are mostly occupied or there are many computer which are down. I do not prefer to go to the computer lab since I want to use my books in the quiet study area as well as my laptop.	5/1/2015 9:44 AM
329	the library is a QUIET place. I would love for the librarians who pass all the time to kick the loud ones out. especially the 6 kids playing cards all the time	5/1/2015 9:44 AM

331	I love when it's nice and quiet. Sometimes when I try to go on a computer, it doesn't work and there is no sign. But overall, I love it.	5/1/2015 9:25 AM
332	LA Valley College Library is really good. I have visited several times at least once every semester and have no complaints.	5/1/2015 9:24 AM

336	The library should open earlier for students who need access to a printer or photo copy machines that have 8am classes. Also, the library should close later for students who only have time to study in the library after 7pm.	5/1/2015 9:17 AM
