

**Los Angeles Valley College
Program Level Student Learning Outcomes (PSLO)
Non-Degree Programs**

Area Name: Learning Center - General Tutoring

Area Description: (Provide a brief description of the area.)

General Tutoring (GT) is available in a lab setting for primary subjects. Appointment-based tutoring is available to students for which tutoring is not generally available in other campus tutoring labs. Appointments are available for a wide variety of disciplines each semester, including but not limited to: accounting, chemistry, child development, developmental communications, French, learning skills, math, physical sciences, physics, psychology, sociology, statistics, Spanish, and others.

Establish 2–4 (total) Student Learning Outcomes or Service Outcomes and indicate how each outcome will be assessed.

Student Learning Outcome	Evaluation Strategies
Upon completion of GT sessions, students will improve their critical thinking skills by: <ol style="list-style-type: none"> 1. Identifying their understanding of the course content 2. Analyzing and synthesizing the core elements of the course 3. Acquiring study skills to augment their ability to comprehend and retain key ideas from the course 	Survey data from students and GT tutors. Feedback from professors. Classroom Assessment Techniques applied by trained GT tutors.

Service Outcome	Evaluation Strategies
