

How does moving the conversation beyond *grades* and *assignments* impact retention?

Based on their own experience as students who earned graduate degrees, what advice can faculty offer students about succeeding in college?

This workshop will provide opportunities to...

- Engage with students, faculty, staff, and administrators
- Learn from each other's experiences
- Discuss our relationship to education

Communication: Creating a Dialogue Beyond the Classroom

All Students, Faculty, Staff, and Administrators are Invited!

Date: Monday, 10/2/2008

Times: 1:00-2:30 pm

Where: The Monarch Patio

Coffee and cookies will be served!

(by reservation only)

Space for this workshop is limited; please RSVP .

Email is preferable: STARS@lavc.edu. Or call 818-947-2569.

Topics Addressed:

- What paths did faculty take to earn their degrees?
- What steps can students take to achieve their educational goals?
- How can students get the most out of Office Hours?
