

# General Education Certification for California State Universities 2008-2009

Students should petition for a Certificate of Achievement in CSU Breadth at the same time as the petition for certification.

This plan will satisfy lower division G.E. for the CSU system. **You must petition the Graduation Office to have certification placed on your transcript.** “**EF**” indicates first term that course can be used on this plan. **#**-Indicates cross-listed courses.

Only one course per pair may be taken for credit.

<b>WARNING! Consult a Valley College counselor before taking courses outside Valley College to be used on this CSU general education plan, particularly if taking courses elsewhere in the LA College District. Every community college may apply its courses differently on general education, even if the course has the same course number and title.</b>	<b>Units Taken</b>	<b>Units Still Needed</b>
