VI. TRANSFER/SCHOLARSHIP SEASON IS HERE – BE PREPARED!

Many scholarship opportunities are available in spring for students transferring Fall 2017. Now is the time to ask professors for **letters of recommendation** to include with your transfer/scholarship applications. Letters of recommendation from professors most familiar with your academic abilities and potential for university-level work carry the most weight. As a secondary reference, an employer who knows your particular skills/talents can be a great person to ask for a letter of recommendation especially if you are working in a field related to your educational/career goals. See attached Steps to

Asking for a Letter of Recommendation for a guide in how to get started. It is helpful if your reference knows a few things about you. You may want to provide them with bullet points or a brief bio about yourself and your goals so they have an idea of what to include in their letter. Make sure to give professors/employers lots of advanced notice and all the details they need including the names of the organization/school, addresses, and particulars of each scholarship. You may even provide pre-addressed and stamped envelopes to make their task easier.

VII. UCLA Scholarship Resource Center Available for Scholarship Research

<http://scholarshipcenter.ucla.edu/>

UCLA SRC is available to all students to assist them in their research of privately funded scholarship resources. The website has a link to the top free scholarship databases all students can access. More in-depth services are only available once students have been accepted to UCLA. Deadlines for Fall 2017 scholarships are due between Now and April 2017 depending on the funding source.

IX. LAVC FOUNDATION SCHOLARSHIPS
