

FALL 2011

Museum of Tolerance – 11.18.2011

A tour, led by a docent of the Museum of Tolerance, enabled our students to gain the most knowledge about the exhibits at this museum. The exhibits were very diverse giving our students a wide expanse of information. Most of the participants expressed a desire to go back with their families.

Cal State San Bernardino and UC Riverside – 11.04.2011

On Friday, November 4th, TRiO took our students to two campuses – one a Cal State and one UC to see the difference between the two schools. An admissions workshop was held on each campus so students could determine if they were eligible for these schools. A tour was then given which familiarized our students with each campus.
