

SUMMER 2013

TRiO Drum Circle- 8.23.13

Roberto Gutierrez, LAVC Manufacturing Academy, conducted a creative and interactive teambuilding drum circle activity. This incorporated many personal development skills such as critical thinking, teambuilding, conflict resolution, effective communication and active listening techniques.

TRiO Bridge Workshop- 7.9.13

The Writing Center sponsored a workshop titled "How to be a Better Student". The objective was to teach students how to write and the topics included research, organization, essay writing, MLA format, grammar and other points of interest.
