General VCAP Class Information

- Most instructors hold final exams on the last day of class.
- Some classes have prerequisites. Please check with the VCAP offices or counselor, if you have any questions.
- Classes do not meet on listed holidays.
- Skill level assessment is required for entrance into English and Mathematics classes. Please check with VCAP for more information.

About Hybrid and Online Classes

VCAP offers both Hybrid and Online classes

- Hybrid classes offer the flexibility of face-to-face and online instruction. The students and instructor meet part of the time in the classroom, on the LAVC campus, and the balance of the class is taught via the internet. Each class varies in the amount of online vs. face-to-face instruction. It is recommended you contact your instructor before the class starts, if you have any questions, please <http://www.lavc.edu/virtualvalley/index.htm>.
- Online classes are taught entirely via the internet. Each instructor teaches online classes differently, and some may require the class to meet in person for an orientation or to take exams.

For Help: There is a help desk that can assist you if you are having trouble with your Hybrid or Online class. The Help Desk can be reached by going to the Business Journalism, Rm. 103. By email etudeshelp@lavc.edu, or by phone (818) 778-5834 for hours.
