Get Your VCAP On This Fall

Fall is just around the corner! VCAP offers a flexible fall schedule with classes meeting one night a week and every other Saturday over eight weeks. We offer two eight week sessions in the fall. We offer Math, English, Biology, Business, Environmental Science, and many other General Education classes to use toward your AA/AS or transfer requirements. VCAP Weekend offers General Education classes in eight, seven, or five week sessions.

Stop by and pick up a schedule at the VCAP Office in Campus Center Bldg., Rm. 215, or visit our webpage at www.lavc.edu/VCAP and click VCAP Fall 2008 Evening/Weekend Course Schedule (.PDF)

Student Study Tip

Set aside one to two hours a day to study. Study when you are at your best. Are you an afternoon person? A night person? Research indicates that setting a quiet separate place in your home for studying is an effective strategy, or better yet go to a local library or coffee shop.

VCAP Drop/Add Dates

Please note that the drop/add dates for VCAP are different than the regular program. Please check the dates for the summer schedule at www.lavc.edu/vcap, and click on Schedules.

Need an Updated Education Plan or Help Selecting Classes for Fall?

VCAP Counselor, Neil Roberts can assist in selecting a major, classes, or creating a targeted Education Plan.

He is available most evenings from 5 PM - 8PM, and every other Saturday from 9AM - 3PM. To schedule an appointment, please contact him directly at (818) 947-2476; or email him at robertnc@lavc.edu.
