

**Los Angeles Valley College  
Course Level Student Learning Outcomes (SLO)**

**Course Name and Number:** Learning Skills 28

**Course Objectives:** (List the course objectives as they appear in the course outline of record.)  
Upon successful completion of this course, the student will be able to demonstrate knowledge of the dynamics of tutoring through presentation in both group and one-to-one supervised settings; evaluate course content and set appropriate learning goals for the tutee; apply effective learning strategies concurrent with an explanation of the subject matter; identify and discuss own preferred learning style; apply log-in and record keeping procedures; discuss and practice issues covered by compliance training.

*Establish 1–2 course level student learning outcomes and indicate how each SLO will be assessed.*

<b>Course Level Student Learning Outcome</b>	<b>Assessment Measure</b>
Student Tutor will become an effective tutor in his/her chosen discipline	Group discussion during tutor training Evaluate tutee surveys Supervisors' observations of tutoring sessions
Develop & maintain accurate reports and records of tutee activities and progress	Evaluate tutees' files, Red Canyon records, and tutees' sign in sheets
