

Los Angeles Valley College
Course Level Student Learning Outcomes (SLO)

Subject Name, Course Number, and Course Title: Respiratory Therapy 8, Administrative Procedures of Respiratory Therapy

Course Objectives: (List the course objectives as they appear in the course outline of record.) Describe and explain all the departments, staff, resources and components of a typical respiratory department.

Design and present a simulated respiratory therapy department.

Develop a 1 year budget.

Design a 1 month schedule assignment for a respiratory therapy department.

Establish 1–2 course level student learning outcomes and indicate how each SLO will be assessed.

Course Level Student Learning Outcome	Assessment Measure
Students can describe typical duties and components of a Respiratory Therapist department.	Student Clinical Evaluations - at the end of each clinical rotation the students will be evaluated by clinical staff on how well they applied course objectives to observe and describe the components of an actual respiratory department.
