2. Credit for Military Service Training

Students who are currently serving in or have served in the military service may, after successful completion of at least one course with the Los Angeles Community College District, request an evaluation of credit earned through military service training schools and/or military occupational specialties.

For completion of military basic training, students will be granted one unit of Physical Education credit and 6 units of elective credit. Students may also request an evaluation of credit earned at other military service schools and/or occupational specialties. Credit units may be granted up to the number recommended by the American Council on Education.

- III. Subcommittee Reports:
 - R. Stein reported that the SLO Committee approved SLOs and Service Outcomes for Research & Planning, TRIO, and EOP&S.

IV. Chair's Report

A. DCC Report

1. E-65 was approved with the sunshine period restored to 20 days. Since I had little feedback from the committee, I abstained, by there were 5 colleges in favor of keeping the 20 day sunshine period so my vote really didn't matter.

2. The Curricunet presentation will be held at City College, March 27th at 1:30 in their faculty/staff center at the south end of campus. If you will be attending please let me know. We are going to try to arrange for a presentation at one of the valley schools if the attendance from Mission, Pierce, and Valley are low.

3. CRCC update. Phase 3 has begun. The work to be done in this phase is much more extensive than phase 2 and will require specific point people at each campus to verify the information being determine. The college's will begin receive their information after spring break and should have at least 3 weeks to complete the verifications.

B. CRCC Update – see DCC report.

C. Board Rule 6701 – Course Repetition – The draft was handed out and everyone was asked to consider whether or not they supported the idea as presented.
