- w) MSP (Arshagouni/Yee) to approve Defining Discipline Approval
Discipline Approval Policy

All curricular proposals shall have a majority approval of faculty in the discipline. For this purpose, faculty in the discipline is defined as a full time faculty member who (1) is qualified to teach the course in question and (2) is primarily assigned to the department in which the course belongs. If there is no full time faculty member in the discipline, the department chair is the sole approver of the proposal.
