Mission Statement: Los Angeles Valley College is a comprehensive community college located in the center of the San Fernando Valley. The College serves the community by providing transfer, degree, career-technical, foundational, transitional and continuing education programs in an attractive and accessible learning environment that fosters student success. Embedded in these programs are the greater goals of critical thinking and life-long learning which are necessary for success in the workplace and for advancing one's education, personal development and quality of life.

- n) MSP (Stein/Calder) to approve **Theater 385** Program Review Update (partial)  
*Outline Updates & SLO's: Theater Arts 385*
- o) MSP (Calder/Stein) to table Scientific Visualization – Program Change Request  
The committee would like to see a draft of a policy describing what happens to programs when core requirements are not offered at least once every two years.

### III. Discussion Items

- a) E-66  
The committee agreed that the proposed removal of the statement giving colleges flexibility in determining additional criteria before conducting a CSU Certification review should be opposed. While we have no additional criteria, this statement gives some autonomy to each college.
- b) SB 1440 Transfer Degrees  
The draft catalog language was distributed and members were asked to give feedback to ensure clarity for catalog printing.

### IV. Items from the Floor

Meeting Adjourned at: 1:50PM
