 B. Goldberg discussed the findings of GE alignment. Surprisingly very few courses appear in the LAVC GE plan that are not included in either CSU GE or IGETC. The differences are:

Area B-1 (American Institutions)	Chicano Studies 7
Area C (Humanities)	English 218
Area D-1 (English Composition)	Business 32
	CAOT 32
	English 363
	Journalism 101, 202
Area D-2 (Communication and Analytical Thinking)	Math 120, 125
	Computer Science 801

The GE Subcommittee will review these and bring back more concrete recommendations regarding GE to the next meeting.

- b) ASCCC Resolutions

S. Berger presented resolutions related to curriculum and asked the committee to advise on what position the college should take at the plenary sessions. Members to bring back feedback to the next meeting.
