

6. How well do the topic sentences support the thesis? What could be improved?
7. Does every sentence in the paragraph support the topic sentence? Which paragraphs could be improved?
8. Where does the author use conjunctive adverbs (Furthermore, in addition, however)?
9. Where does the author use the “old/new contract” to transition from one idea to another?
10. Is the conclusion effective? Does it adequately conclude the essay? Suggestions?
11. Where would the paper benefit from additional support and examples?
12. Make two suggestions for the next draft that you think would improve the paper:

EVALUATION OF EFFECTIVE QUOTING

In which paragraph(s) does the author establish solid context and introduction for the quote? (i.e. does the author incorporate the quote well enough to make sure it does not seem dropped from nowhere?)

Which paragraphs are lacking context and signal phrases for the quotes?

Which paragraphs have the best level of analysis after the quote?

Which paragraphs need more analysis?
