

SOCIAL AND BEHAVIORAL SCIENCE

If you are a new student and your major is a part of the Social and Behavioral Science CAP, these are suggested courses for your first semester as a full-time student. If you are planning to attend college part -time, you may enroll in fewer courses or less than 12 units. It is highly recommended that you enroll in English and Math starting your first semester. If you have concerns regarding the suggested courses below, please see a counselor.

Select courses from the suggested list:

- ENGLISH 101 (3 units) or ESL 110 (for non-native speakers, 4 units)
- STAT 101 or MATH 227* (4 units) or MATH 215 (for Elementary Teacher Education major only, 3 units)**
