

Meet your ANATOMY 1 Tutor Matthew Bonilla!

Hello everyone, my name is Matthew Bonilla. I am a nursing major and I plan to apply for nursing school in 2022. I have been at LAVC for two years and I have had nothing but good experiences. Throughout my time of being a student

I have always wanted to tutor since I always tried to help my friends and peers understand difficult subjects. I look forward to sharing my anatomy experiences and hopefully helping students understand the subject better.

“An investment in knowledge pays the best interest” – Benjamin Franklin
