

Meet your Statistics 100/101 Tutor Joshua F. Moreno!

Hello world! I'm currently majoring in Psychology with a focus on child psychotherapy. I'm a recent graduate from LAVC continuing my education

currently at CSUN. My goal is to be able to provide therapy solutions for children ages (5+) for trauma as well as becoming a teacher for psychology. I'm a valley native and I've been here all my life. Why I like tutoring is because I like to interact with my tutees on a level that best suits their understanding as we all learn differently and if I can help facilitate that learning I will.

"Compromise where you can. Where you can't, don't. Even if everyone is telling you that something wrong is something right. Even if the whole world is telling you to move, it is your duty to plant yourself like a tree, look them in the eye, and say 'No, you move'." - Christopher Markus (writer of Captain America: Civil War)
