

# NetTutor

## Online Tutoring

NetTutor is a free online tutoring service offering help in a wide range of subjects.

Students can get help on a subject through:

- Live one-on-one help.
- A Q&A center – questions are posted there and then answered by tutors.
- An archive of live tutorial sessions.
- Uploading papers and getting feedback from tutors

**Ask NetTutor - Live 1-to-1 Help**

Tutors are available for this group right now

**NetTutor Q&A Center: 0 in queue; 0 in-progress; 0 answered**

Drop off a question and get a response from a tutor

**NetTutor Paper Center: 0 in queue; 0 in-progress; 0 reviewed**

Upload your paper and get feedback from a tutor

**My NetTutor Tutorial Archive: 0 Sessions**

Archive of live NetTutor tutorial sessions

How can you access  
NetTutor?

Students can access NetTutor through Canvas:

- Log in to Canvas.
- Go to your course page.
- Click on “NetTutor” on the left-hand side.
- Pick the subject you need help with.
- Pick the method of help you would like to access.
