

## Meet your Human Anatomy Tutor

### Oscar Juvera

Hello students, my name is Oscar. I am a pre-nursing student, and I have been enrolled at Los Angeles Valley College (LAVC) for over 3 years now. I have worked as an embedded human anatomy and biology tutor under the STEP Student Leader Program for over 6 semesters, and as a biology tutor under the Extended Opportunity Program and Services (EOPS) for 3 semesters.

Should you have any questions regarding your course material, do not hesitate to contact our student services through the General Tutoring Center (GTC) at [LAVC](#).

I look forward working with you all this semester, and I wish you the best of luck in all of your courses!
