Subject: Report of Positive COVID19 Case in Vote Center at LAVC

Date: Thursday, October 29, 2020 8:26:52 PM

Dear Monarchs,

We received information today that a Vote Center staff member working at LAVC on Saturday tested positive for COVID-19. The Registrar Recorder's Office is handling required reporting for people voting and Vote Center staff. While risk to any Valley College employee is minimal, we wanted to keep the Valley campus community informed.

This also serves as an important reminder to continue to wear face coverings, maintain physical distancing, wash hands frequently, and take other recommended precautions to prevent the spread of COVID-19.

If you have any questions, please let me know.

Stay Safe and Be Well,

Barry
