90 responses

Today's presentation

Agreement comparison

*Comparing "strongly" + "somewhat" agreement, pre vs post**"Post" survey reflective items*4 **Highlights**

Clear, definitive increases on a handful of items

Increases on broad items involving tasks / general habits

Several items about students' personal story/journey saw no or negative change in agreement, but positive change in "strong agreement"

Slight decrease in students feeling they belonged in college or at LAVC, but higher proportion agreed strongly that they did belong

5 **Highest Increases in Agreement**6 **High Increase in Agreement**

- 7 **Moderate / Slight Increase in Agreement**
- 8 **Little to No Change in Agreement (+)**
- 9 **Little to No Change in Agreement (+)**
- 10 **Little to No Change in Agreement (-)**
- 11 **Little to No Change in Agreement (-)**
- 12 **Agreement Decreased**
- 13 **Agreement Decreased**
- 14 **"Post" Survey Reflective Items**
- 15 **Interpretation**
 Clear, definitive increases on a handful of items
- Personal relationship with a professor (+21)
 Knowing "hot topics" in areas of interest for major (+12)
