

Classes Transitioning to Online Delivery

Los Angeles Valley College
Spring 2020

Beginning on March 30, 2020, all Spring 2020 LAVC classes will move to online delivery.

Until at least May 5th, classes and services will be offered remotely and online only; do not come to campus. If your class is not on the list below, then it will transition to 100% online delivery with no face-to-face meetings.

The following 23 classes are moving to online delivery also, but may require some face-to-face activities (practicum, clinical hours, skills demonstration, etc.). These face-to-face activities will only occur when conditions permit them to be performed safely. Your instructor will be in contact with you regarding this.

Online Delivery Classes that May Require Some Face-to-Face Activities

Discipline	Catalog #	Course title
