### **TO REPORT HATE CRIMES**

We are also required to report statistics for bias-related (hate) crimes by the type of bias as defined below for the following classifications: murder/non-negligent manslaughter, negligent manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, drug abuse violations and/or weapons: possessing, carrying, etc. (see definitions on first page) and larceny-theft, destruction/damage/vandalism of property, intimidation, and simple assault (see definitions below).

**Larceny:** The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A bias-related (hate) crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc., the assault is then also classified as a hate crime.

If a bias-related (hate) crime was reported to you, please fill out the top section of Page I (Hate Crime?).
