**Career/Transfer Center
Associate in Art for Transfer Degree
Philosophy
2021-2022**

Philosophy is the critical investigation of the basic concepts that shape our lives. Students will be able to inquire into the basic nature of concepts like truth, justice, rightness, knowledge, beauty, and reality. In addition, philosophy students will apply their understanding of these basic concepts to the important decisions made by both individuals and societies. Because philosophy aims at clarity at the level of language and thought it is applicable not only to the natural and social sciences, but also to the moral, practical and evaluative decisions we make on a daily basis.

Academic Plan Code: V032379G

OR

Follow **Intersegmental General Education Transfer Curriculum (IGETC)** if you are applying to UCs and CSU.

**If you are applying to a private university, make an appointment with a counselor to discuss major/general education courses.

Why get an Associate Degree for Transfer?

This program guarantees that students who earn an AA-T or AS-T degree from a California Community College will be admitted to a California State University campus. The campus you will be admitted to depends on several factors, such as the location of your community college, the program of study that a student intends to follow, and a student's competitiveness for admission. This program also provides students with the necessary preparation to transfer to the CSU system and complete a baccalaureate degree.

Students with an AA-T or AS-T degree receive:

- Admission priority
- Guaranteed admission with junior status to the CSU system
- Complete a baccalaureate degree with only 60 additional semester units (or 90 quarter units) (in a degree program that has been considered similar)

Student Success Checklist

By the end of first semester or completion of <u>15 units</u>	<input type="checkbox"/> Schedule an appointment with a counselor to create Comprehensive Student Education Plan
	<input type="checkbox"/> Confirm your major or Career and Pathway by participating in career exploration activities
