

## FALL 2016

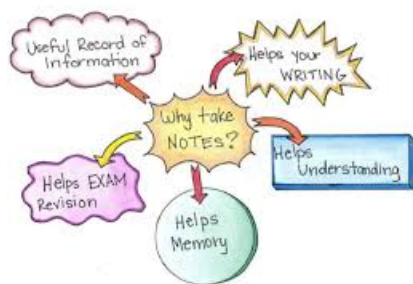

### Fall Welcome Back Seminar- 09.8.2016

A welcome seminar was held to inform Trio students about the resources available on campus. Speakers from TAP, Career/Transfer Center, Financial Aid, SSD, Health Center, Psychological Services, Service Learning, ASU, and the Academic Resource Center Presented information about their programs.

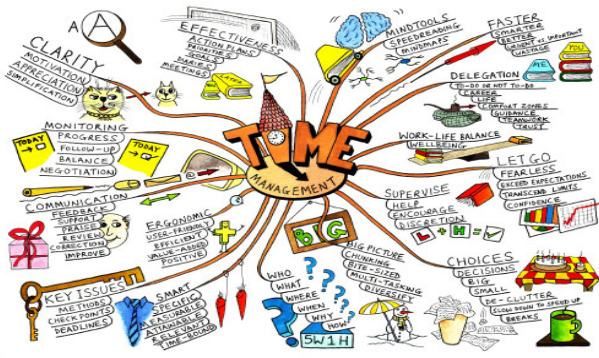

### How to achieve success in Math by Professor Kawai- 09.20.2016

Students were informed about study strategies, test taking strategies and how to prepare for final exams. Professor Kawai made this workshop fun and informative for our Trio students.

### Note-Taking Workshop- 09.28.2016

Barbara Schneider, Director of TRIO/SSS led a workshop on note-taking strategies to help the students understand effective ways to properly take notes and provided tips and handouts for students to use.

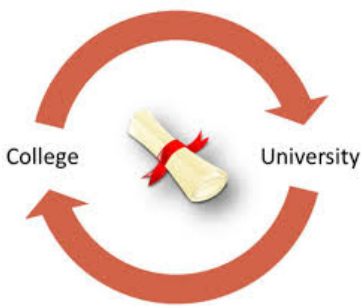

## Time Management Workshop- 10.6.2016

Barbara Schneider, director of TRiO-SSS put together a wonderful workshop covering various strategies to help students manage their academic life.

## The Broad- 10.14.2016

TRIO students had the opportunity to enjoy the contemporary art from one of the newest museums in Los Angeles. They viewed various art collections by Glenn Ligon, Takashi Murakami, Shirin Neshat, Barbara Kruger and many more.

## Transfer Center Workshop- 10.19.2016

Representatives from UC Davis & CSUN shared tips and information about transferring to UC and Cal State universities. Past Trio alumni were invited to join a student panel to share their transfer experiences. New and continuing students received important information about the transfer process and deadlines and addressed fears of transferring to a four year university.

### **Cal Poly Pomona- 11.4.2016**

TRIO students enjoyed an awesome trip to Cal Poly Pomona. They toured the campus and information session at the college.

### **Financial Literacy Workshop- 11.15.2016**

TRIO invited Alex Ojeda, Guardian Scholars, Coordinator to inform students about money management and financial literacy. The workshop impressed students and encouraged them to begin thinking about saving money for retirement.
