1	Keep up the good work!	7/10/2019 10:57 PM
2	It is really hard to get an appointment online. There needs to be a better way to schedule appointments with college reps and counselors. The Honors TAP programs should be more proactive with those students. I felt like the counselors dedicated to Honors had no idea who I was. Maybe they should schedule some group gatherings and stay in touch throughout the Honors TAP process.	6/20/2019 12:20 PM
3	The career and transfer center was the most helpful resource I found at Valley. The intersection that helped were always knowledgeable and respectful. They knew their stuff and always helped me in anyway. Interns from this year like [REDACTED] were the best and they helped me out. An honorable mention would be [REDACTED] from last year interns. She completely changed the person that I am today. She helped me so much and if it wasn't for her, I wouldn't have graduated and I would not be transferring to UCSB this fall.	6/20/2019 11:52 AM
4	The transfer workshops were great. Helped with the UC application.	6/8/2019 8:49 PM
5	[REDACTED] are amazing	6/5/2019 1:17 AM

10	N/A	5/31/2019 8:57 PM
11	Super friendly service!	5/30/2019 8:02 PM
12	I would have liked more information on scholarships websites. The time I asked, there wasn't much information provided.	5/30/2019 4:41 PM
13	I wish I knew about the STEM counselor earlier. I heard about STEM specific counseling through a classmate rather than being referred by the Career Transfer Center or other school notification.	5/30/2019 3:51 PM
14	More students need to become ossiciated with this department than currently are.	5/30/2019 2:53 PM
15	Stay open a little late 8pm so interns can help students with transfer applications and personal insight questions during the transfer season.	5/30/2019 1:27 PM
16	More variety for job shadow opportunities	5/30/2019 1:24 PM
17	Great services	5/30/2019 1:16 PM

Answered: 159 Skipped: 277

#	RESPONSES	DATE
1	LAVC makes it easy to get what credits you need while having a sense of comfort in each class.	7/11/2019 10:08 AM
2	Not to be afraid of finding resources outside of campus, put yourself out there	7/11/2019 12:15 AM
3	Give it all you got and reach for the stars.	7/10/2019 11:03 PM
4	Make a plan. Go with a counselor twice a semester.	7/10/2019 8:08 PM
5	Always remain positive and don't compare yourself to others accomplishments. You will get there at your own pace	7/10/2019 7:39 PM
6	Take advantage of the math lab	7/10/2019 6:16 PM
7	The best advice I could give is always be on top of your work load, take plenty of notes, and try not to miss class! For advice with essays, always make an outline first and plan out your paper accordingly. For exams just study and review notes and material before the exam. Highlighting your notes helps! Explore the campus before the semester starts so you are familiar with it and know where your classes are and finally speak to a counselor right away to figure out your educational plan.	7/10/2019 4:14 PM
8	Don't go to church organizations, church organizations are to political and don't care about students lives.	7/10/2019 4:12 PM
9	Study ahead and motivate yourself	6/21/2019 12:03 AM
10	Step up! If you see work needs to get done get involved and don't be standing on the sidelines.	6/20/2019 11:22 PM
11	Show up to class	6/20/2019 4:59 PM
12	See your professors in office hours or after class, develop a relationship with them. It will help you succeed and provide opportunities for letters of rec for transfer.	6/20/2019 4:33 PM
13	Take what the counselors tell you with a large grain of salt.	6/20/2019 3:58 PM
14	Don't take night classes or 8am classes until you're ready and [REDACTED] before class, unless it's math.	6/20/2019 3:18 PM
15	Dont be ashamed to seek help and to find a mentor. Apply to programs like EOPS and TRIO from the start at Valley. Talk to all your teachers at office hours. Most importantly though would be to never give up.	6/20/2019 12:26 PM
16	participate in class and get to know your professors	6/20/2019 12:24 PM

20	Use all the resources offer at LAVC. They are helpful and have wonderful personnel to help you out. Follow the counselor's advice and study.	6/10/2019 11:26 AM
21	Always seek for help when you need it. There is no need for you to go through things a lone.	6/9/2019 1:52 PM
22	Have a goal. Get as much counseling as you can. Try to take a verity of courses. I didn't know what anthropology was until I took a course. I fell in love with it and now it's my major.	6/8/2019 10:59 PM
23	Work in a group because you can help each other understand the material much better.	6/8/2019 9:04 PM
24	If online classes are available, take advantage. Don't stop believing you can achieve your educational goal, be persistent!	6/8/2019 9:34 AM
25	Learn about all the services the school offers.	6/6/2019 10:48 PM
26	If you want to learn something you have to spend your time to study.	6/6/2019 9:15 PM
27	Speak with a counselor first thing to get on the right track.	6/6/2019 7:46 PM
28	Take a fun class that isn't in your major each semester- maybe it's art or voice or guitar. I graduated with 2 associates to transfer- one in Psych and one in Sociology. These topics are really heavy and kind of depressing, so making time for the arts can be a healthy way to manage the stress of taking those kinds of classes	6/6/2019 10:30 AM

33	Keep going and don't give up, your future is not a race.	6/5/2019 8:25 AM
34	look at website yourself, counselors are clueless transfer center is very proactive people at front desk are not proactive	6/5/2019 1:20 AM
35	1. Don't be afraid to ask for help. 2. Build a community of people who are like minded and who support the things you believe in. 3. Stay involve with student clubs	6/4/2019 11:15 PM
36	Don't be afraid to ask for help, and don't be afraid to schedule an EXCESSIVE amount of study hours. You'll be surprised what you can accomplish when you apply yourself!	6/4/2019 10:16 PM

79	If you are a music major, Piano (to be specific), memorize your upcoming jury pieces BEFORE the semester begins because by doing this, it was so much easier for me to prepare well for my jury in advance without having to rush myself into trying to memorize my pieces during the semester with so many assignments from a variety of classes to do.	5/31/2019 3:43 AM

107	Take advantage of online classes, especially for general education. If you are unsure of your major, start with required general education and take some classes that sound interesting, but don't forget to start your math or chemistry course paths early if you think you'll need them. Use RateMyProfessor and register for classes as early as possible. Use the STEM counselor if you are a stem major. Get familiar with the school catalog and ASSIST.org. Use sites like ONET and talk to your professors to learn what career opportunities different majors have to offer. Don't feel pressured to take a full load of classes if you aren't ready for that. You pay for units rather than for semesters. Take advantage of the short semesters too! You can knock out a lot of smaller requirements during summer and winter. Do some part-time work or volunteering during school to gain experience if you can (I wish I had). Use the free tutoring services and the computer lab. Don't be afraid to talk to your professors or classmates. Get to know them!	5/30/2019 4:32 PM

I did not expect to be admitted into LAVC but they accepted me in despite of having F's from previous attempts in completing courses at Pierce College many years ago. I thought I was unwanted by schools but I decided to apply anyway because Valley College is 5 minutes away from my house and I really wanted to complete my Associates degree. I wanted to graduate and be able to transfer to a four year college. And that is exactly what happened! I graduate on June 4th, 2019 with having completed my Associates Degree in Sociology in December 2018. I will be transferring to CSUN in the Fall 2019. My journey at Valley College began in Fall 2017 and ended in Spring 2019. Also, Valley College has amazing, capable, intelligent, knowledgeable, helpful, passionate professors. I could have not accomplished my goals and dreams without their help and guidance. Most importantly, my younger sister and I took our last two courses together and will be graduating side by side! Being 14 years her senior, there would be no way possible that her and I would ever attend school together. We both got accepted to CSUN and will be attending Fall 2019.	6/2/2019 2:49 AM

#	RESPONSES	DATE
1	For the personnel working in admissions & records and financial aid to be more attentive and familiar with what they are doing.	7/11/2019 10:08 AM
2	Counseling. Told me not to apply to Berkeley, and I did anyway. And got in	7/11/2019 12:15 AM
3	One of my chemistry teachers was horrible. He shouldn't be teaching or needs a reality check on what teaching actually looks like.	7/10/2019 11:03 PM
4	Security.	7/10/2019 8:08 PM
5	Not a thing	7/10/2019 7:39 PM
6	Better communication for students to talk about classes not being offered for specific majors	7/10/2019 6:16 PM
7	I've heard from many other students that the general counselors are not quite helpful and I do quite remember the only time I went in 2016 the session lasted about 5 minutes and that was it. While my counselors in trio and Eop were in depth and we talked about my goals up to the end of the session even going overtime sometimes. I know some students don't aren't fortunate to get in this programs and have no other choice. Other than that issue everything it's great.	7/10/2019 4:14 PM
8	██████████ for letting this ██████████ come onto college grounds and violently harassed and bullied me while I was at school, there group is responsible for these crimes committed on this college campus.	7/10/2019 4:12 PM
9	Financial aid office	6/21/2019 12:03 AM
10	Overall maintenance.	6/20/2019 11:22 PM
11	More opportunities to be part of campus events	6/20/2019 4:59 PM
12	Better WiFi. The WiFi sucks.	6/20/2019 4:33 PM
13	The counseling department. From the website being ridiculously wrong, being utterly impossible to make an appointment by phone, to the counselors giving me consistently incorrect information, I couldn't find much good there.	6/20/2019 3:58 PM
14	Sometimes the machines that charge for printing at the library don't accept debit and it sucks.	6/20/2019 3:18 PM
15	Maybe hire some more counselors and maybe some more groundsmen to keep the campus clean.	6/20/2019 12:26 PM
16	make counseling more personalized	6/20/2019 12:24 PM
17	Get the sherrifs out of their cars and intergrate with the students.	6/20/2019 11:55 AM
18	Stress the fact that a 4 year university should be affordable and find one that is within your budget. Going into debt for a profession that does not pay well is not worth it.	6/20/2019 11:42 AM
19	Nothing	6/20/2019 11:13 AM
20	Lower prices for food. more variety of healthy food. Providing a microwave for students to use in the cafeteria. Longer study hours at the computer commons or a place where students can stay later to study.	6/10/2019 11:26 AM
21	Probably how they announce things by that I mean that find better ways to get announcements across to students.	6/9/2019 1:52 PM
22	Have more counselors on staff or maybe pay them to stay later. Make transferring a tad easier for students who are first generations.	6/8/2019 10:59 PM
23	Professor ██████████ is a terrible professor that ruined my GPA. I should have done what most students did and dropped the class.	6/8/2019 9:04 PM
24	Parking, and the classes available only in the night will make available in the day as well.	6/8/2019 9:34 AM
25	It would be nice to see the older parts of campus repainted. And the old trees trimmed.	6/6/2019 10:48 PM
26	Student workers don't have a Union to protection.	6/6/2019 9:15 PM
27	The Admissions office workers need to be more friendly and helpful. I was often frustrated having to interact with that department due to their unprofessionalism. Often they would not be able to help, or had no supervisor to assist with concerns.	6/6/2019 7:46 PM
28	I would increase funding for music classes and make online classes more structured and organized- I had one professor in the sociology department that ██████████ and set the due date to June 7th. That sort of thing just wouldn't be happening if he were better organized.	6/6/2019 10:30 AM
29	Financial aid office	6/5/2019 10:15 PM
30	Chemistry department needs better professors	6/5/2019 7:20 PM
31	LA Valley does a great job in showcasing its clubs but it could improve greatly in showcasing its transfer clubs like PUENTE and TAP programs.	6/5/2019 1:00 PM
32	I would change the attitude of staff workers in the admissions offices/ computer comms, financial aid because them being rude only makes people want to stay away and that shouldn't be okay because them we don't get to receive the help we need. If you don't like your job then leave it or don't bring your personal drama and rude attitude to work. It's not other people's fault your angry. Don't take your anger or annoyance on them. Thank u, next	6/5/2019 8:25 AM
33	put more proactive people over people who look at you blank faced	6/5/2019 1:20 AM
34	I would really want students to be more involved and connected to the campus. I think we have a perception of community college as a place to go to class and go home, but it doesn't have to be like that. I think that if students begin to feel connected to the campus I am certain that their chances of succeeding and graduating/transferring would increase.	6/4/2019 11:15 PM

LAVC Graduation, Transfer, Exit Survey 2018-19

35	I would change how to book counseling appointments. It was very confusing, other students and I couldn't get appointments despite trying for them as soon as we could book them	6/4/2019 10:16 PM
36	Better professors for chem & stats. Some professors were terrible and rude.	6/4/2019 6:37 PM
37	Almost everything. Including this survey.	6/4/2019 5:51 PM
38	Scheduling a counselling appointment is not easy. It's not ideal to have to call on a certain day only to find that all slots are filled.	6/4/2019 4:09 PM
39	more open classes	6/4/2019 3:50 PM
40	Counseling center, and the way they make appointments. I first enrolled in lavc in 2015. It's been a nightmare from the beginning to try and make an appointment.	6/4/2019 3:37 PM
41	The general counseling center	6/4/2019 3:09 PM
42	More online classes.	6/4/2019 2:57 PM
43	For me everything was excellent	6/4/2019 2:47 PM
44	More rigorous material, better teachers. IT at valley has regressed, possibly due to change in local economy and passing away of a generation of professors	6/4/2019 2:45 PM
45	More online classes	6/4/2019 1:40 PM
46	I came to Valley College with low expectations. I have been constantly surprised by the wealth of resources available to people. I wish I knew sooner. I think Valley College should be rewarded more, or have more presence in the community.	6/4/2019 1:15 PM
47	The parking lot on Oxnard st and Fulton Ave. the pavement is really crappy.	6/4/2019 1:10 PM
48	The counselors. And admission records office.	6/4/2019 12:09 PM
49	offer more computer classes	6/4/2019 11:55 AM
50	The counselors if they could give students more information about their options while at Valley	6/4/2019 8:52 AM
51	The science department is in need of more science teachers and classes. Most students career is nursing and every semester I seen students not being able to take a science course due to minimal classes and teachers the school provides	6/3/2019 6:12 PM
52	Probably improve the art building with a more modern building because the internet there is not great.	6/3/2019 5:11 PM
53	Financial Aid	6/3/2019 9:33 AM
54	The parking is not the best for the students.	6/3/2019 1:18 AM
55	different places for the field trips. it's always the same locations	6/2/2019 11:01 AM
56	More graphic design instructors and substitutes.	6/2/2019 8:21 AM
57	What I would improve at LA Valley College is if we can expand awareness about the Art department. There are so many talented and skillful Art students that the rest of the schools' students should be exposed to. I was not aware of how involved Art can be until my sister enticed me to enroll in Ceramics and Sculpture with her. It was the best semester ever for me. In Sculpture class, one of our projects was to weld and we had to set up outside because the Art department does not have a welding set up indoors.	6/2/2019 2:49 AM
58	i had great resources and people that helped with everything so I wouldnt change a thing	6/1/2019 9:02 PM
59	none	6/1/2019 2:00 PM
60	Nothing	6/1/2019 11:51 AM
61	Have a recycling center.	5/31/2019 10:26 PM
62	N/A	5/31/2019 9:03 PM
63	Text book but back day for the end of the semester.	5/31/2019 7:11 PM
64	Getting rid of Dr. Farris in the Psychology department	5/31/2019 4:31 PM
65	other counselors	5/31/2019 4:15 PM
66	more easier times/ways to get an appointment with a counselor. Waiting more that a week is too long honestly	5/31/2019 2:31 PM
67	Make all teachers use canvas	5/31/2019 1:41 PM
68	class scheduling	5/31/2019 1:36 PM
69	I wouldn't change anything.	5/31/2019 12:31 PM
70	Not sure	5/31/2019 12:18 PM
71	Required classes be offered every semester	5/31/2019 12:13 PM
72	THE COUNSELORS NEED TO BE MORE ACCESSIBLE, AND HELPFUL. NO ONE IS HELPFUL. MAKE MORE PARKING. FINDING PARKING IS IMPOSSIBLE	5/31/2019 12:06 PM
73	The graduation process it was a little confusing.	5/31/2019 12:01 PM
74	Better response for financial aid	5/31/2019 11:04 AM
75	I would increase the amount of online classes, it took me longer than expected to graduate because there were semesters when I couldn't find the class I needed online.	5/31/2019 7:47 AM
76	I would not change nor improve any thing, really, at LA Valley College.	5/31/2019 3:43 AM
77	None	5/31/2019 2:30 AM
78	More counselors and more availability. I work full time, I have 2 young kids and my time is precious and often unpredictable. It was always hard getting an appointment to see a counselor. And often the appointment was only a drop in for 10 minutes max because they were trying to get through as many students as possible. They were all helpful with the information provided but not invested with understanding the specific situation or need.	5/31/2019 12:46 AM
79	Nothing, just continue progressing!	5/30/2019 11:54 PM

LAVC Graduation, Transfer, Exit Survey 2018-19

80	My only concern was the construction that sometimes blocked certain walkways and made it dangerous to walk to the parking lot after night classes. There needs to be much more lighting in those areas and more security presence in the parking lots.	5/30/2019 11:46 PM
81	I would say start adding classes to prepare students for their upper and lower division classes . Like for example Hsitory majors do a class on how to write Hsitory so Hsitory majors can get a better feels what they will be expected.	5/30/2019 11:35 PM
82	The website needs more detailed information and a better search function.	5/30/2019 11:15 PM
83	The staff involved with the international student program need to be more knowledgeable.	5/30/2019 11:10 PM
84	I would push counseling more onto the students. Maybe a clear "how to" email. I got advised a little too late and I wasn't aware of all my transfer opportunities.	5/30/2019 10:32 PM
85	Make classes more accessible.	5/30/2019 10:19 PM
86	nothing	5/30/2019 10:07 PM
87	GET NEW ADMINISTRATORS AND COUNSELORS WHO ACTUALLY WANT TO HELP!	5/30/2019 10:05 PM
88	Offer more evening classes	5/30/2019 9:49 PM
89	Nothing.	5/30/2019 9:49 PM
90	Give the students more resources that will listen to them. The nursing department as a whole are a bunch of tyrants.	5/30/2019 9:16 PM
91	I would love to take French classes in summer, if there was classes in summer. I know many of my classmates would love to take the summer classes as well	5/30/2019 9:02 PM
92	I would plant more trees.	5/30/2019 8:12 PM
93	I would recommend having students be required to meet with counselors to schedule their first semester classes.	5/30/2019 7:54 PM
94	Be more approachable	5/30/2019 7:28 PM
95	Please make microwaves available for students to use in the cafeteria.	5/30/2019 6:09 PM
96	More of free textbook classes	5/30/2019 5:50 PM
97	More welcoming and easier to access information. This place lacks an easy guide to college, or a mission that's easy to understand for students who have no clue to what even college is for.	5/30/2019 5:02 PM
98	Fund Engineering	5/30/2019 4:52 PM
99	Nothing	5/30/2019 4:50 PM
100	More outreach so that students are aware of the help or programs available	5/30/2019 4:48 PM
101	Cleanliness in the classrooms, some look like there is no janitorial staff all semester.	5/30/2019 4:47 PM
102	Be more active during the beginning of my college experience	5/30/2019 4:42 PM
103	I wouldn't change a thing.	5/30/2019 4:32 PM
104	Nothing	5/30/2019 4:26 PM
105	Give priority to freshman instead of senior citizens. It's unfair for students to not get classes because [REDACTED] take the slots.	5/30/2019 4:18 PM
106	nothing the school is amazing .	5/30/2019 4:00 PM
107	To not procrastinate	5/30/2019 3:56 PM
108	The bathrooms are absolutely disgusting. Some teachers (adjunct and tenure) are SO LAZY and [REDACTED]	5/30/2019 3:47 PM
109	Making more evening classes available	5/30/2019 3:26 PM
110	I encourage LAVC to promote extracurricular activities as well as language courses and entertainment.	5/30/2019 3:22 PM
111	Bathroom tending & cleanliness - the only bathrooms that were almost always clean & stocked with toilet paper, toilet seat covers & paper towels were the ones in the Allied Health & Sciences Center. Also, I understand the benefits of hiring students to work in admissions & records as well as the financial aid offices in the administration building, HOWEVER, it wouldn't hurt to give them actual training so that they know what they are doing.	5/30/2019 3:19 PM
112	Better desks and chairs, make cafeteria more affordable and have better quality food, nicer employees, make it easier to make a meeting with a counselor because they would always fill up right away. It would also be a good idea to review professors' curriculum and consider the input from students. Some classes are lacking in content, others are unmanageable to students due to difficult work and bad instruction from unsupportive professors.	5/30/2019 3:14 PM
113	Add more classes	5/30/2019 3:11 PM
114	I would change how the application for SSD is. I feel like it is very troublesome to have to apply for SSD at each college and have to bring paperwork for each one and go there in person instead of having it transfer over from your main college. It is very hard especially if you only want to take an online class but you have to travel all the way to the college to get accommodations. I'd also make sure that if a student gets accommodations for a future class that the teachers will know about a students accommodations on the first day of school so they can start receiving them right away and there's no issues.	5/30/2019 3:07 PM
115	I would probably change how hard it is to get a counseling appointment.	5/30/2019 3:03 PM
116	Not aware of that yet.	5/30/2019 2:58 PM
117	Old structures . College needs more beautiful campuses	5/30/2019 2:44 PM
118	It would be nice if buildings were open earlier. I had Accounting last semester and the building was locked beyond 7:30 am we students are on campus at 6am yet all buildings are closed and no access to restroom	5/30/2019 2:38 PM
119	lower prices at the student store and cafeteria	5/30/2019 2:37 PM
120	NA	5/30/2019 2:27 PM

LAVC Graduation, Transfer, Exit Survey 2018-19

121	Just the counseling department, and maybe make people aware there first semester or programs like EOPS, TAP etc and what it is that each one actually does.	5/30/2019 2:26 PM
122	Nothing. I think all is fine.	5/30/2019 2:25 PM
123	Better organized counseling services and more helpful people who answer the phone. [REDACTED]	5/30/2019 2:22 PM
124	Nothing I would change.	5/30/2019 2:22 PM
125	None	5/30/2019 2:20 PM
126	More availability in appointments to meet with a counselor	5/30/2019 2:05 PM
127	N/A	5/30/2019 2:01 PM
128	Offer more summer courses.	5/30/2019 2:01 PM
129	The relationship between some faculty and/or staff between the African American students need improvement. There were times that entering financial aid, counseling, or admissions there was always a feeling like I didn't belong here at LAVC.	5/30/2019 2:00 PM
130	Communication. Find ways to ensure that student will know how to achieve their goals. The school is good at informing their students but it could be done better.	5/30/2019 2:00 PM
131	Offer more help in counseling department.	5/30/2019 1:59 PM
132	Better communication with counselors. I checked in often and still certain classes were missed that I needed.	5/30/2019 1:59 PM
133	The visibility for the undocumented students recourses.	5/30/2019 1:59 PM
134	more events in the evenings, for those students who can't attend in the day.	5/30/2019 1:56 PM
135	Better teachers that understand s everyone.	5/30/2019 1:53 PM
136	Nothing.	5/30/2019 1:50 PM
137	Promote the SSD office for all of its offerings. Demonstrate that you don't have to be mentally disabled to get services. People receive services for all reasons Ect so its not frowned upon	5/30/2019 1:49 PM
138	More classes offered when it comes to more in-depth classes regarding a major. I noticed the more specific the course was, the less it was offered, which was difficult because either the time was inconvenient for me, or the professor offering the course.	5/30/2019 1:44 PM
139	counseling and the way people relay their information about transfer requirements. Every counselor told me something different every time, thus it took me longer to transfer out.	5/30/2019 1:44 PM
140	I would not change anything.	5/30/2019 1:41 PM
141	More available counseling times	5/30/2019 1:38 PM
142	Thanks	5/30/2019 1:38 PM
143	The food! We need better food options. A huge cafeteria and half of it is empty.	5/30/2019 1:36 PM
144	Your Admissions & Records faculty is terrible. They consistently misinformed me, claimed to have not received my transcripts from a different college district (even though LAVC has received my transcripts over 2 years ago)	5/30/2019 1:33 PM
145	Taking more classes during the breaks (ex: Winter) instead of 1-2 courses.	5/30/2019 1:32 PM
146	To evaluate the students better	5/30/2019 1:31 PM
147	More math classes for humanities ie stats 101	5/30/2019 1:30 PM
148	Better method to schedule appointments with counselors. Not everyone call at 8am on Tuesday. I always had class at this time.	5/30/2019 1:27 PM
149	More counselors	5/30/2019 1:26 PM
150	Offer more evening classes for working students	5/30/2019 1:26 PM
151	Counseling department, the online portal is not efficient and calling in to get an appointment is impossible. Making a counseling appt was the only bad experience that I had at LAVC.	5/30/2019 1:20 PM
152	None	5/30/2019 1:19 PM
153	The many of the math and chemistry instructors are some of the worst on campus.	5/30/2019 1:15 PM
154	Update the computers and buildings	5/30/2019 1:14 PM
155	Offer more engineering courses, don't cater only to arts, acting and music...	5/30/2019 1:14 PM
156	Nothing	5/30/2019 1:12 PM

4	I just want to say that I enjoyed my time at Lavc far more than I had originally anticipated back in 2016 and one of my regrets is not enrolling at this college straight at of Grant high school in 2014. I have grown to have an infinite fondness for LAVC and the community there really made it feel like a home away from home. I will forever treasure the memories and people I met here and will carry the lessons I learned to Cal State Northridge. Thank you for everything and go Monarchs!	7/10/2019 4:14 PM

6	Sociology teacher played "Racist video with the "N" word scrolling across the bottom of screen on 3rd day of class. Content inappropriate and not related to evolution of man. ██████████. Dept. head did nothing.	6/19/2019 3:15 PM
7	Thank you LAVC for being here for me to accomplish my goal of attending CSUN which has been my dream for so many years.	6/10/2019 11:26 AM
8	Now that I'm moving on to CSUN I will admit I will miss valley. Almost all professor that I had were very good and cared about the success of the students.	6/8/2019 9:04 PM
9	I enjoyed my time at Valley, and I'm very happy I attended school at Valley College.	6/6/2019 10:48 PM
10	I appreciate LA Valley College's stuff for everything. I will recommend my college to my friends.	6/6/2019 9:15 PM
11	The Cal Works front office workers are not very helpful. I don't appreciate the staff speaking about me in other languages while I clearly speak English with them.	6/6/2019 7:46 PM

15	██████████ from the black Scholars program is really for the students. He deserves more recognition. With him I never had to have an appointment for counseling services. He created a space where I felt included, not like the general counseling center where I felt the counselors seemed impartial to students of color!	6/4/2019 3:09 PM
16	Everytime I personally sat down with a counselor they have always provided me with wrongfull information. Each session they did not listen to what program I wanted to major in they provided me with wrong classes to take, which made me become held back a year, and also when asking them about schools to apply to like usc, or a uc a counselor told me "you're below average just apply to a cal state maybe if you're lucky you'll get into that". After that I've never spoken to a counselor and I just figured out classes on my own, and reached out to counselors outside of lavc that are in the schools I wanted to get into. Just in general have a talk with the counselors seems like they hate their jobs and they're ruining students futures with it as well.	6/4/2019 12:09 PM

26	My overall experience at this college was amazing and although I didn't participate on campus as much as a traditional student, I still felt like I belonged and am leaving as a proud monarch.	5/30/2019 11:46 PM
27	All professors truly cared about my well being and wanted me to succeed. I feel so blessed and honored to receive such amazing education here. I learned so much about the world around me and about myself.	5/30/2019 10:32 PM
28	Nursing program was a 2/10. And that's only because the part-time faculty are amazing But the staff and faculty rank Poorly.	5/30/2019 9:16 PM
29	Just thanks to the foreign language, ESL, and Broadcasting departments. They were great.	5/30/2019 9:02 PM
30	I see lots of changes to lavc that I like now as far as making it easy to visit counsler, your progress online for your goal. I still think adding classes is still hard.	5/30/2019 5:02 PM

LAVC Graduation, Transfer, Exit Survey 2018-19

34	Parking lot A has too many staff spots that don't even fill up, yet there will be no spots parking for students. For some reason all the mirrors have been taken down from the womens' restrooms over the years. The desks that are connected to chairs on the side are very small and low, and force students into bad posture in order to write. Computers in labs are often dirty and difficult to use because the mouse cord is locked so tightly to the computer that you can't move it.	5/30/2019 3:14 PM
