2	The worst to me was not being aware of financial aid and all the programs that help. I think programs like EOPS need to be promoted among students in general. I also believe that people will have more success if the college makes a requirement that every student see a counselor before registering the fist semester and every semester after and also attend meetings where they explain about financial aid and all the programs available. More ESL of the higher levels should be open too, I had so much struggle and never got into one after trying one whole year, I retested and lied that I spoke English well, so I could get placement into regular English classes which are offered a lot and students don't take advantage and end up dropping.	6/22/2017 10:36 PM

1	Send reminders to students about field trips and other events.	8/2/2017 1:29 AM

3	I received conflicting information by counseling about UC Berkeley's requirements for transfer. I was advised that completion of my foreign language(one year) was not necessary prior to transfer. This is true for UCLA but not for UCB. In order to attend the UCB (register for classes), IGETC completion must be full and not partial. Although I was admitted to UCB, I was told that I would not be able to attend due to missing one semester of a foreign language.	7/25/2017 10:28 PM
4	help with transfer master's programs	7/25/2017 4:09 PM
5	Bigger presence on campus, and better representation with club/school events to allow students to know that the resources are available.	7/22/2017 12:00 AM
6	██████████ is hands down the best counselor at LAVC. Super helpful and helped me transfer and complete my goals every step of the way. Shout out to her !	6/22/2017 4:35 PM
7	I found their shadowing program very informative, it help me decide what branch of psychology to follow	6/12/2017 5:44 PM
8	The career and transfer center was very useful but I utilized until I knew what questions to ask and that is when I was able to move forward with my college plan. It was very helpful for me and very informative.	6/8/2017 9:39 PM
9	The counselors need to have similar information. I heard different things from different counselors about requirements and it was very confusing.	6/7/2017 1:23 PM
10	Counseling appointments don't seem to be made efficiently by staff Also should have later hours for working students	6/7/2017 12:15 PM
11	Is very busy sometime to make on schedule to meet counselor	6/7/2017 12:13 PM
12	Everyone was really helpful	6/7/2017 12:07 PM
13	Talk more about life as a transfer student at a csu for such and such major.	6/7/2017 12:01 PM
14	Career Transfer Center was really helpful in explaining how to fill out college applications and helped me realize that admissions screwed up my transcripts! Also, the field trip to both UCLA and Northridge were extremely helpful. I have found that the transfer center is one of the most organized departments @ Valley as communication through out this school seems to be broken.	6/7/2017 11:55 AM
15	The counselors on staff need to be updated at least once a year on the graduation and transfer requirements for each major. I received incorrect information from a counselor who advised me to drop 2 classes that I actually needed. The confusion arose because the media arts department had recently changed their transfer program requirements, but since I wasn't intending to transfer, it threw things off. I understand how complicated things can get with trying to streamline the process for student success, but there still needs to be regular updates for counselors if they are entrusted with the responsibility of navigating this with students. Luckily my teachers were able to get me reinstated before it was too late, but some students may not encounter such serendipity.	6/7/2017 11:54 AM
16	Have more representatives from Universities outside the Valley.	6/7/2017 11:50 AM

2	It became a pathway to rebuilding my life in the process of pursuing my academic goals.	7/31/2017 2:04 PM
3	It allowed me to continue my education comfortably; it's cheaper than a four year university and closer.	7/28/2017 5:08 PM
4	Aquired some new knowledge	7/26/2017 3:13 PM
5	My professors at Valley taught more than the academics required - They prepared me for success at California State University, Northridge.	7/26/2017 2:06 PM
6	Education that could work with my schedule. Once took a lab class on a Saturday and that was great. Love night classes.	7/25/2017 10:26 PM

8	Helped me more forward in my education.	7/25/2017 5:09 PM
9	it gave me a different perspective of life. It open my mind to new people, cultures, and horizons	7/25/2017 4:20 PM
10	I have achieved my degree and it has enhanced my life.	7/25/2017 4:11 PM

12	It saved me thousands of dollars in tuition and loans and showed me what I'm capable of academically.	7/25/2017 12:50 PM
13	It helped make me who I am and into what I will be. I am completely indebted to the Lavc Theatre department.	7/25/2017 11:38 AM
14	Valley College gave me the opportunity to return to college as a non-traditional student, and reunite me with previously abandoned ambitions. My college made me a strong and vocal leader, and helped me to find a self-acceptance that had been lacking for a long time.	7/22/2017 12:29 AM
15	Did not really change as much as expanded how I view my future.	7/6/2017 3:20 PM

17	I feel more knowledgeable.	6/25/2017 9:58 PM

25	It didn't.	6/22/2017 4:36 PM
26	It didn't. Most of it was a waste of time. Classes are too easy and most of the teachers give you hoop jumping material rather than stimulating information.	6/22/2017 4:36 PM
27	It has not changed my life for better work opportunities. Programs are not realistic. The job market is different. The job market needs experience, but at a personal level I gained wisdom from knowledge but that does not pay the bills.	6/22/2017 4:30 PM
28	Got me in the position to have my career.	6/22/2017 4:16 PM

34	I got an education. It helped me beat the system as a foster youth.	6/11/2017 8:58 PM
35	I was able to graduate with honors and with two Associate degrees! I even graduated in front of my daughter, her boyfriend and other friends and show them that no matter your age or financial status and no matter how long it takes, you can achieve your goals.	6/10/2017 4:32 PM
36	Unlike my time in the LAUSD, I was given more "life tools", freedom and eye-openers than my pre-college years could provide. At LAVC, I was able to identify and enhance my occupational purpose. Like many others, I began college unsure of what to major in. Many ideas in mind but none I could wholeheartedly grasp. But after some time and experience with courses that met my interests, I was able to come up with a "for sure" answer; a.k.a identifying my goal to do both Marketing and Art.	6/8/2017 11:55 PM

Q64 What would you change or improve at LA Valley College?

Answered: 106 Skipped: 303

#	RESPONSES	DATE
1	Make the music and art departments more known and seen. They're hidden and lonely.	8/13/2017 10:57 PM
2	I would highly suggest that the adjunct professors who are teaching effectively be given priority in teaching more classes and be considered for ongoing classes at LAVC. Some students leave LAVC to follow adjunct professors who teach at other campuses.	7/31/2017 2:04 PM
3	For the bookstore to buy back more of their books.	7/28/2017 5:08 PM
4	Just remodelling, which is in progress.	7/26/2017 2:06 PM
5	Better food, more food options, better wireless internet, making it easier to connect to wifi, more counselors available on campus, so hard to get meetings with them, more people answering the phone for questions.	7/25/2017 10:26 PM
6	Increase parking for athletes	7/25/2017 7:54 PM
7	For books to be cheaper.	7/25/2017 5:09 PM
8	some bad professors, newer class buildings.	7/25/2017 4:20 PM
9	Not sure, I have no complaints.	7/25/2017 4:11 PM
10	longer library hours!!! and cheaper prices and more variety at the cafeteria.	7/25/2017 3:59 PM
11	The art department needs more funding. The student wifi really should be stronger and more accessible so that we can be productive in places such as the library on our own devices.	7/25/2017 12:50 PM
12	I wish there were more classes available every semester, and not every other or every mother year.	7/25/2017 11:38 AM
13	Would like to see an improvement in campus community, and seeing more students embrace the campus life. A stronger emphasis in departments to direct students to the appropriate classes that will equal degrees and certificates.	7/22/2017 12:29 AM
14	I feel nothing specific needs to be change or improved upon.	7/6/2017 3:20 PM
15	I would change the councilors. They need to be more helpful in terms of giving out useful information and not just by the book type information.	6/29/2017 3:21 PM
16	Offer more evening classes for those who have to work, like me.	6/25/2017 9:58 PM
17	The attitude of some of the campus staff. Counselors are especially eager to push you out the door making it difficult to have all questions answered.	6/23/2017 12:03 AM
18	I would hire more counselors, and open more science classes which really are needed. I would also make students more aware of the importance of their GPA.	6/22/2017 11:16 PM
19	Include a more diverse staff that doesn't favor a particular ethnicity. Notify students about the Graduation, Transfer, and Financial Aid processes in a timely manner, before deadlines approach.	6/22/2017 9:52 PM
20	Have the counseling/admissions office be more organized	6/22/2017 8:17 PM
21	Better quality instruction. I love school and broad based learning, but I didn't feel as though I learned very much in many of my classes.	6/22/2017 6:53 PM
22	Better counseling services and more classes	6/22/2017 6:39 PM
23	Make more programs for people who don't qualify for financial aid, school is still expensive for people who make more than 50,000 as well. New Buildings and more parking	6/22/2017 4:52 PM
24	Nothing it's fine the way it is	6/22/2017 4:36 PM
25	Better teachers, more tutors, better courses, more ties with universities and programs like internships and paid summer programs.	6/22/2017 4:36 PM
26	DEFINITELY MORE ONLINE CLASSES Get rid of biased, disgusting, racists, sexists, hateful, know it all teachers. Get rid of those non sense evaluation methods where at the last week of the semester, no matter the person has an "A" on everything, the last work or test bring everything to a "C" or even a "D" It makes not sense at the last weeks of the semester, like if the rest the person did not sleep a few hours a day. Very stupid.	6/22/2017 4:30 PM
27	The math tutors	6/22/2017 4:16 PM
28	Concentrate on your strengths like the film and theater program. These programs can set LAVC apart. The people involved are fantastic and care about the students and the materials they are teaching.	6/22/2017 4:14 PM
29	The look of the campus	6/15/2017 1:15 PM
30	Counselors and Teachers with more encouragement to students	6/14/2017 4:59 PM
31	Counselors need to be more invested! Almost seemed like they didn't care to help out much. I missed out on a lot during my time at LAVC because I never had thorough understanding that I hoped counselors would of shared with me.	6/13/2017 10:17 PM
32	I have noticed that students usually fail a class their first year of college. I would create a class that gives students information on everything they will need to know about being in college that is not part of their HS experience. For example, they go from having someone guiding them in class, reminding them of homework and telling them what to do... to working on their own.	6/12/2017 6:02 PM
33	█ needs better governance	6/11/2017 8:58 PM
34	I would love to see more evening and weekend classes for working adults. That was the biggest challenge.	6/10/2017 4:32 PM

LAVC Graduation, Transfer, Completer, Exit Survey 2016-17

35	Find a way to emphasize to all students, the importance of personal development so that they are not blindly taking classes without a goal in mind; watching time pass them by as they idly ride through the entire course catalog. Many individuals grew up in households and environments that never nurtured them to learn to think for themselves, know what a goal is and how to achieve it. For many, "personal development" is impossible. Leave high school, enter college and do what? There are many hurdles in life, and this is one of them. There are many that don't know what personal development is, weren't educated or guided in it and don't know how to connect it to their future goals. In order to have an effective and successful college experience; this is something all students MUST be educated in. I believe Valley college and all other College/University systems should skip the unnecessary, mandatory P.E. class and make a Personal Development course the required one.	6/8/2017 11:55 PM
36	Faster wifi!	6/8/2017 11:41 PM
37	I am not sure what to change I was very happy and comfortable at Valley, but I was also more mature than freshman, they might have different things they would like to see changed .	6/8/2017 9:48 PM
38	More communication between the administration and the students. If there is an event at the college, the school should email the students so that they'll know what is happening.	6/8/2017 4:35 PM
39	Provide counseling in different languages, since not everyone understands the education process	6/8/2017 3:08 PM
40	I think there needs to be other options for algebra , the statway program at Pierce college made more sense for my major, if it wasn't for that I may have never graduated.	6/8/2017 11:31 AM
41	I'd stop promising to destroy those ramshackle bungalows and just get it over with while you still have enough stray cats to solve the vermin problem waiting underneath them.	6/8/2017 11:12 AM
42	More online classes	6/8/2017 10:37 AM
43	Make things a little easier to know about extra curricular things/tutor help	6/8/2017 10:34 AM
44	n/a	6/8/2017 9:42 AM
45	I would not have mandatory teacher evaluations during class times.	6/8/2017 9:41 AM
46	Younger professors with passion not a paycheck	6/8/2017 9:39 AM
47	N/A	6/8/2017 7:14 AM
48	Mandatory counselor advisement	6/8/2017 6:04 AM
49	Financial aid for all students regardless of status	6/7/2017 11:08 PM
50	More funding to hire more amazing staff and provide more classes	6/7/2017 10:58 PM
51	I would love for the board to keep a better eye on the professor that don't get well reviews from students	6/7/2017 10:38 PM
52	Change the Phone system, it's almost impossible to get a live person depending on the department you're calling. Example: financial aid office... IMPOSSIBLE!	6/7/2017 10:03 PM
53	n/a	6/7/2017 9:39 PM
54	on-line assistance and email access was too complicated for me	6/7/2017 6:37 PM
55	Better food at the cafeteria and have an indoor space for students to hang out without being too quite like the library.	6/7/2017 6:15 PM
56	It would be nice to have more information on events happening around campus, half of the time I found out about an event through classmates. Also, vending machines need to be checked on more often.	6/7/2017 5:53 PM
57	Apply more the Smoking policies, a lot of students smoked at campus.	6/7/2017 5:50 PM
58	No comment	6/7/2017 5:19 PM
59	More classes because of large class sizes	6/7/2017 4:30 PM
60	More announcements and signs with upcoming programs or events	6/7/2017 3:47 PM
61	Needs to be cleaner	6/7/2017 3:40 PM
62	parking, to far away	6/7/2017 3:13 PM
63	...the squirrels.	6/7/2017 3:10 PM
64	Better parking spaces.	6/7/2017 3:01 PM
65	I would of taken more advantage of the programs they offer.	6/7/2017 2:59 PM
66	More classes available.	6/7/2017 2:38 PM
67	nothing	6/7/2017 2:34 PM
68	Hold the teachers to higher standards. Do more student evaluations on teachers. Also the food sucks in the cafeteria.	6/7/2017 2:32 PM
69	I wish people at office and all official jobs at valley,were not from one specific Nationality, who only support each others and give Financial aids to all of them even though they are mostly rich, while do not help others at all	6/7/2017 2:31 PM
70	There were a few times I could not get a hold of the Administrative Office despite calling during normal business hours. I would say I had to drive down to Los Angeles Valley College about 5 times because I was on hold for 30+ minutes	6/7/2017 2:22 PM
71	Newer buildings, free of ants, etc	6/7/2017 1:52 PM
72	nothing	6/7/2017 1:45 PM
73	Nothing	6/7/2017 1:43 PM
74	Counseling. More one on one counseling. When I first came here, the counselor I was assigned didn't believe in me. She thought I wasn't "smart" enough to take the courses that I was placed in.	6/7/2017 1:42 PM
75	The counseling really listening and working better with your overall plan. Call me if you want more specific info. A little disappointed in them.	6/7/2017 1:39 PM
76	More school pride and campus events so that it's easier to make friends.	6/7/2017 1:26 PM

LAVC Graduation, Transfer, Completer, Exit Survey 2016-17

77	add ASL courses	6/7/2017 1:14 PM
78	Healthier food options, more natural science courses like botany and zoology.	6/7/2017 1:14 PM
79	Parking! I'm aware that construction it's almost over, but my experience with parking was awful.	6/7/2017 1:13 PM
80	The food	6/7/2017 1:09 PM
81	Make a larger sense of community on campus with more campus events Also email more than just surveys to me. Pierce sends me tons of information. Majority of the emails I get from Valley are surveys.	6/7/2017 1:05 PM
82	Improved availability of required major courses. General ed classes are easily available in all LACCD campuses. As I got closer to applying for my AA and certificate, I found it more and more difficult to find the last few courses I needed for my degree. I had to start taking online classes from other districts. I would recommend alternating the course availability from semester to semester. For example, if a class is being offered during the day for the fall semester, to give everyone a chance at taking the class, make the same course available in the evening or online in the spring semester.	6/7/2017 1:01 PM
83	Perhaps more hybrid courses or offer more evening classes for impacted majors.	6/7/2017 12:47 PM
84	Student infrastructure, class availability	6/7/2017 12:46 PM
85	Nothing	6/7/2017 12:43 PM
86	I would spend money on janitors. The school was uncomfortably dirty.	6/7/2017 12:42 PM
87	For valley college commencement please order enough sashes for graduates. Your sashes only say lavc and have the school emblem on it. So I don't see the problem in over ordering sashes and using the ones left over for next year. Students shouldn't have to graduate from college looking like a high school graduate because the school didn't properly fulfill its duty in ensuring there is enough regalia for students	6/7/2017 12:38 PM
88	To add diversity as a GE	6/7/2017 12:38 PM
89	Better online services	6/7/2017 12:31 PM
90	I didn't feel familiar with the campus. I felt there was a disconnect between the nursing program and counselors	6/7/2017 12:20 PM
91	Do more for working students Some Professors are not understanding, more professors in math	6/7/2017 12:18 PM
92	In English	6/7/2017 12:17 PM
93	The career services office needs to be regularly updated on degree requirement changes, so as to avoid misleading students the way that I had been. It was an unintentional mistake, but for other students, it could cost them in lost semesters of work. Also, once I got into the higher level courses that were required for my degree, the class sizes inevitably got smaller. There was a time when one class was cancelled because it didn't receive the required 12 student minimum during registration. This was frustrating because it set me back a bit, and other students are at the mercy of the demographic trends that they can't control. Could there be a more relaxed protocol for the registration requirements so that students who only need 3 more upper level courses to graduate aren't held back because of the class density issues?	6/7/2017 12:11 PM
94	MAYBE BE A LITTLE MORE INVOLVED IN CLUBS	6/7/2017 12:10 PM
95	Counseling: its difficult to appear for appointments. Telephonic appointments would be so helpful.	6/7/2017 12:06 PM
96	Communication	6/7/2017 12:06 PM
97	Challenge placement scores for English and Math If given low courses like English 33	6/7/2017 12:05 PM
98	Communication, it seems to be broken. Counselors don't always give you the correct information especially when it pertains to transferring.	6/7/2017 12:04 PM
99	enhance campus maps. more parking for students. fix a/c in classes. clean the rooms more often. have security for students that come in early to school (starting at 6am) and for students that take night classes (patrol parking until 10:15pm) students and faculty need to feel safe when attending Valley College.	6/7/2017 12:01 PM
100	More janitors, better management of trash/recycling outdoors on campus, I mean what are the gardeners doing all day? Riding around on golf carts?	6/7/2017 11:59 AM
101	Better buildings. Cleaner facilities.	6/7/2017 11:59 AM
102	Hire more professional staff at admissions and records.	6/7/2017 11:56 AM
103	Cleanliness, especially in the restrooms.	6/7/2017 11:55 AM
104	More open live events for students to enjoy.	6/7/2017 11:55 AM
105	Safety and cleaner bathrooms.	6/7/2017 11:53 AM
106	More community and student solidarity, as a commuter school it's often difficult for students to bond with the people and the campus, since everyone leaves right after class most of the time.	6/7/2017 11:50 AM

1	Amazing Astronomy Class. This school has one of the best speech professors out there. He made me, someone who runs from public speaking, speak up and love to talk in front of people.	8/13/2017 10:57 PM
2	No	7/28/2017 5:08 PM
3	I am not done, I will have my AA but still need to take a couple more classes for transferring to a UC.	7/25/2017 10:26 PM
4	I would love to have higher degrees at LAVC	7/25/2017 4:20 PM
5	This survey is too long	7/24/2017 4:27 PM
6	I think it would be in the best interest if there was a mandatory "check-in" with students after completing a specific number of units, to make sure they are headed in the right direction. Perhaps at 32 units they could meet with a counselor, before enrolling, to make sure that students are focused.	7/22/2017 12:29 AM
7	No other comments.	7/6/2017 3:20 PM
8	I find it very concerning that the windows within the classes can not be opened. It is a major hazard in case of an emergency the windows being shut tight with no possible way to open is very dangerous.	6/29/2017 3:21 PM
9	A lot of Graduates were not notified about the Graduation Petition deadline. Loiterers harass students near the AHS building at night. People get away with smoking on campus.	6/22/2017 9:52 PM
10	Teachers are there for nothing. We read a book and we learn by ourselves, so just give us a test at the end and let us prove ourselves. I ask zero questions to teachers to avoid embarrassment.	6/22/2017 4:30 PM
11	So thankful for this school, overall I've had the most passionate and amazing teachers!	6/13/2017 10:17 PM
12	When the time comes (if it comes) to finally demolish and construct on the old bungalows in the back. Please make sure to find a way to humanely remove the stray cats sheltering there so that they are not harmed.	6/8/2017 11:55 PM
13	Overall, I enjoyed my time at LAVC and will cherish the memories and the things that I have learned.	6/8/2017 4:35 PM
14	Improve counseling, even from high school. To avoid students to waste time and money	6/8/2017 3:08 PM
15	n/a	6/8/2017 9:42 AM
16	None	6/7/2017 5:19 PM
17	none	6/7/2017 3:13 PM
18	Going to LAVC was the best decision I've ever made. I love this college.	6/7/2017 2:38 PM
19	thank you.It was a wonderful experience to be a part of valley college as a student.	6/7/2017 2:34 PM
20	I am not racist at all, but Valley college must do something about the monopoly and Mafia like situation which is going on there right now. They are taking over all jobs, and only help their own people. I hope you understand what I mean.	6/7/2017 2:31 PM
21	Great campus and school.	6/7/2017 1:43 PM
22	center sucks, expressed my concerns...no change. And a few other symtudent areas were of no help.	6/7/2017 1:39 PM
23	A side note: student should be aware of events in parking lots that aren't park of the college in advance, an email perhaps. Some days we are time limited to get to class because we just got off from work or dropping off kids a daycare and when half of the parking is closed because was rented for movie filming or any other events, beside inconvenient it's frustrating. A little text or email to students (not just professors or staff) as heads up will be awesome.	6/7/2017 1:13 PM
24	Good school	6/7/2017 12:17 PM
25	If you are an honor student investigate all the programs that LAVC offers because the counselors don't tell you.	6/7/2017 12:04 PM
26	I hope this reaches a person that is an instructor. I want to let all teachers/instructors know that as students. A test scored should not be the only way to asses someones learning. I speak for many students who study really hard, but dont do well on test taking. Everyone is different. Of course someone can surely get an A. But if they dont work, they have so much time to study. Compared to another student who may work 30+ 40+ hours a week and pulls a C grade. Instructors should note that while an A grade is ideal. The person who still managed to get a C regardless of thr many hours of work and taking care of there family. In the end being close to a C is a hard place to be. The final test might weighed heavily that sometimes people dont do as well and there grade drops to a D. This grade should not be an indication of " how much was learned." .. I am so saddened by this fact. That a grade is suppose to be an idicator of how much was learned based on some test designed to test students on a specific idea. This is not true.	6/7/2017 12:04 PM
