### Motivational Seminar/Awards Banquet – 5.29.14

TRiO hosted 125 people at its' end of the year Motivational Banquet. Our motivational speakers were inspirational in the telling of their stories of success since leaving Los Angeles Valley College. We had 36 graduates/transfers this year and many were emotional in relating how they got to this point in their lives. Other awards given were for the Dean's/President's List, Academic Achievement and Scholarship winners. It was a very successful evening and students came away motivated to do their best.

### Grammy Museum – 5.9.14

TRiO collaborated with EOPS in providing the opportunity for our students to go to the Grammy Museum in the LA Live area of Los Angeles. After viewing the exhibit about Jenny Rivera, they toured the rest of the museum showing artists such as Michael Jackson, The Carpenters, etc.
