ASSOCIATE DEGREE

The Sociology Program offers an Associate Degree for Transfer (AA-T) in Sociology and two options for an Associate of Arts Degree (AA) in Sociology (Sociology and Sociology: Social Welfare). These degrees provide a strong foundation in the social sciences and build skills in the ability to communicate to different audiences, examine multiple sources of information and data, and more effectively work toward social justice. The AA-T in Sociology prepares students to transfer to a CSU with their lower-division preparation work in Sociology completed, and offers priority admission to CSUs in our service area. The AA in Sociology (Social Welfare) prepares students to work in social and human services. The AA in Sociology (General) can serve as a basis for employment in a diverse workforce or further undergraduate education in sociology.
