

MULTIPLE OR ADDITIONAL ASSOCIATE DEGREES

Any student who contemplates acquiring more than one Associate Degree should discuss the matter with a counselor to determine if the student's goal would be better met by either a Baccalaureate Degree or Certificate.

A student may receive either multiple Associate degrees granted simultaneously, each in a single major, or an additional Associate degree after having earned a degree from an accredited college. Los Angeles Valley College will only grant such degrees when the student has completed all of the following Graduation Requirements (detailed in the Associate Degree Programs section of the catalog) for each degree awarded:

1. Unit requirements
2. Scholarship requirements
3. Residence requirements
4. General competencies
5. Major course requirements
6. General education course requirements

In addition to the above requirements, students following the LACCD GE Plan 2024-2025 general education requirements must complete at least 6 units in the major at LAVC. For the Associate Degrees for Transfer (ADTs), there is no major unit minimum requirement that must be completed at the college awarding the degree.

LOS ANGELES VALLEY COLLEGE - ASSOCIATE DEGREE GENERAL EDUCATION REQUIREMENTS - LACCD GE PLAN 2024-2025

GENERAL EDUCATION REQUIREMENTS: 21 semester units

MAJOR REQUIREMENTS: Minimum of 18 units in a single or related field. Each course counted towards the major or area of emphasis requirement must be completed with a "C" (2.0 or equivalent) or better.

1. UNIT REQUIREMENT: A minimum of 60 semester units of course credit in a selected curriculum.

2. SCHOLARSHIP REQUIREMENT: A "C" (2.0) grade average or better in all work attempted in the curriculum upon which the degree is based. Effective for all students admitted for the Fall 2009 term or any term thereafter, each course counted toward the major requirements must be completed with a grade of "C" or better or a "P" if the course is taken on a "pass-no pass" basis.

3. RESIDENCE REQUIREMENT: Students must complete no fewer than 12 units within the Los Angeles Community College District.

4. READING AND WRITTEN COMPETENCY: Completion of the following course with a grade of "C" or better: ENGLISH 101 or E.S.L. 110 (or equivalent at another college); A grade of "C" or better in a college course that meets CSU GE Area A2 or IGETC Area 1A requirements; A score of 3 or higher on the following AP Exams: English Language and Composition or English Composition and Literature, or similar.

5. MATHEMATICAL COMPETENCY: Continuing students with catalog rights from prior to fall 2019 who place into any transfer-level math course have met math competency for all AA/AS degrees. Students admitted fall 2019 or later may meet competency by verifying earning a grade of C- or higher in the course typically known as Intermediate Algebra or equivalent or higher at a US regionally accredited high school or college, or through other means as defined in the following: A score of 3 or higher on the following AP exams: Calculus AB, Calculus BC, or Statistics, or similar. Verification of passing with a grade of C or P or higher a California Community College course that meets the California State University General Education Breadth (CSU GE-Breadth) requirement in Area B4: Mathematics/Quantitative Reasoning and/or the Intersegmental General Education Transfer Curriculum (IGETC) in Area 2A: Mathematical Concepts and Quantitative Reasoning.

6. ETHNIC STUDIES COURSE requirement for the Associate Degree may be met as follows:

Verification of passing with a grade of C or P or higher a transfer-level course

(minimum of three semester units or four quarter units) in ethnic studies from any California Community College or the equivalent from any United States regionally accredited institution with a grade of C- or higher, or Credit/Pass/Satisfactory if equivalent to a grade of C- or higher per the sending institution's transcript key. This requirement may be satisfied by obtaining a satisfactory grade in a course in ethnic studies taught in or on behalf of other departments and disciplines.

California Community College courses approved to meet an ethnic studies area in any intersegmental general education pattern.

Ethnic studies courses deemed by the college ethnic studies faculty to meet the California Community Colleges Ethnic Studies core competencies, and approved by the college academic senate or curriculum committee as appropriate per local processes.

Coursework used to meet the Ethnic Studies local graduation requirement may be double-counted on the LACCD general education plan where applicable.

7. THREE GENERAL EDUCATION PLANS are offered at the colleges of the Los Angeles Community College District (LACCD) to meet the general education requirements for the associate degree. The LACCD GE Plan is appropriate for students planning to earn an associate degree without transfer. Students planning to transfer to a four-year university should follow either the CSU GE-Breadth plan or the IGETC plan. The LACCD GE plan may NOT be used for Associate Degrees for Transfer (ADTs). ADT degrees require completion of either CSU GE or IGETC (for CSU). Meet with a counselor to discuss your options.

Please see a counselor and check the LAVC College catalog for specific major requirements.
