*ASU Vice President Candidate*

*Personal Statement*

Dear my fellow students,

My name is WuDi Davis, and I am honored to be a candidate for Associated Student Union Vice President. I currently serve as the Secretary for Chess Club and recently onboarded as the ICC Representative for SACNAS. I also manage the social media accounts for Chess Club including our Instagram, Discord, and email. Along with Chess Club and SACNAS, I am also a proud active member of 6 clubs on campus.

From 2013 to now, I have had the privilege and honor to volunteer and work with many communities including the Queer community, Veterans, children, elderly, people with all abilities and disabilities, as well as many different cultural communities, all diverse and equally human. My current role as Chess Club Secretary and recently being onboarded as the ICC Rep for SACNAS and being an active member of four other clubs on campus has further helped me understand the vital role they play in creating a dynamic and engaging campus life and most importantly a safe and welcoming community for all.

One of my core values is clear and effective communication. I believe that the key to an empowered student body is transparency and open communication. As your ASU Vice President, I will strive to create engaging and interactive workshops, events, and conferences that you are interested in—especially to the fact that ASU is here to advocate for you.

As your future Associated Student Union Vice President, my mission is to advocate and ensure that your voice is actively heard, and change is made. Along with my strong passion for advocacy, my primary duty as your ASU Vice President would be to work with clubs.

I also strive to make a positive change and impact on our community as a whole.

Thank you so much for taking the time to read my personal statement!

Please remember to be kind to yourself and don't forget to drink water!

Thank you,

WuDi Davis
