Newsletter  

October 2021  
To: TAP Students and Faculty  
From: TAP Director, Dr. Yih-Mei Hu, Music Department  
    TAP Counselor, Chris Petrini, Counseling Department  

Dear TAP Students and Community,  

By now, we hope you have adequately adjusted to your Fall 2021 schedule, whether it’s your first semester in college or your final term in completing degree and/or transfer preparation requirements by December. If you are considering adding a “late-start” class that begins on October 25 (2nd 8 Weeks), and you would like Honors credit for it, remember that Page 1 of the TAP/HONORS CONTRACT is due by October 29 to Dr. Hu. There will be no exceptions; information on the contract process was detailed in the September 2021 Newsletter.  

October is peak “transfer season;” many resources are available not only at LAVC’s Career & Transfer Center but also at your desired transfer institution as a prospective student. Various links are provided within this newsletter as opportunities to explore a variety of four-year institutions, in person or virtually, to help guide your application process.  

On a related note, if you still need to submit your AP Scores from College Board or your high school transcript to satisfy general education areas on either CSUGE or IGETC, please do so now. You may have previously submitted either one to the TAP/Honors Program as a part of your application; however, all documentation must also be on file with LAVC’s Admissions and Records in order to avoid delays in posting degrees or CSUGE/IGETC Certification to your LACCD transcript.  

Finally, as a reminder, Mr. Petrini is on campus and available for “in-person” TAP Office Hours in ACA 1414 on Wednesdays from 1:30—3:30PM, as well as “in-person” TAP appointments on Thursdays. Don’t forget your mask!  

Dr. Hu and Mr. Petrini
I. FALL 2022 ADMISSION CYCLE FOR TRANSFERRING

II. UCLA’s TAP ADMISSION & FALL 2022 TAP CERTIFICATION PROCESS

Students who complete LAVC’s TAP/Honors Program receive priority consideration for admission to UCLA College (of Letters and Science). Students not selected for admission to their first-choice major will be reviewed for an alternate major within the College, as long as it is not one of the 16 restricted majors. The alternate major must be listed on the original UC Application and match what is written on the TAP Certification form that Mr. Petrini and Dr. Hu will submit to UCLA TAP. See below for more details.

Note: Certification for non-College of Letters & Science majors at UCLA such as Arts and Architecture, Engineering, Music, Nursing, or Theater, Film and Television can be obtained if the student completes the prerequisites for an appropriate alternate major in the College of Letters & Science (Pre-Public Affairs and Pre-Education and Social Transformation cannot be listed as an alternate major). This TAP Certification, however, is not considered in the review for selection by the UCLA professional undergraduate schools.

**UC Application Process**

- Complete and submit the UC Application between November 1 – 30, 2021 for Fall 2022.
- You **DO NOT** need to indicate on your UC application that you are a TAP student, as this is handled during the TAP Certification process.
- The alternate major in UCLA’s College **must** be listed on your original UC Application and match what is written on the TAP Certification form, which will be submitted by Mr. Petrini and Dr. Hu in early Spring 2022. Requests to add or change the alternate major after submission of the application will not be considered. This applies to all alternate majors at UCLA.
- Beginning January 6, all applicants must submit an online UC Transfer Application Update form to report final Fall 2021 grades and in-progress or planned coursework (priority deadline is January 31). Students are required to notify UCLA of any and all changes/updates to their work-in-progress as they occur. UCLA’s admission decision is based upon a review of current work-in-progress.
- Do not forget to apply to any UC campus in which you submitted a TAG.
To see if other UC campuses admit students to an alternate major, consult pages 45 and 46 of the Quick Reference Guide to UC Admissions for specific campus policies: https://admission.universityofcalifornia.edu/counselors/files/quick-reference.pdf

LAVC Certification Process – TAP Requirements

- In order to be TAP Certified for Fall 2022 admission, students must have 18 or 15 Honors units completed, plus LIB SCI 101, by the end of Spring 2022. At least 9 Honors units must be completed by the end of Fall 2021 in order for the TAP Certification process to be initiated.
- Students will complete a personalized TAP Completion Plan showing how they have met—or plan to meet—these above requirements by stated deadlines. Email Mr. Petrini to receive a TAP Completion Plan if you plan to be TAP Certified for Fall 2022 admission.
- Students will make an appointment with Mr. Petrini in November or December 2021 (once your Winter/Spring 2022 schedule is set) to complete the TAP Certification worksheet, using information from your TAP Completion Plan, your UC Application, and all transcripts.
- Beginning January 3, 2022, LAVC will receive a list of all TAP students who have applied to UCLA. This will allow the identification of students in our program whom should be TAP Certified, and thus eligible for priority consideration for admission to UCLA College.
- Mr. Petrini and Dr. Hu will facilitate all forms to be submitted for TAP Certification.
- TAP-Certified applicants will receive priority consideration as files are evaluated throughout March, and admission decisions will be released in late April 2022.
- Review these Frequently Asked Questions, which may help you determine what is more important to complete—major prep or IGETC.
