For enrollment purposes, TAP/Honors contracts will not be permitted for courses offered as dedicated “All-Honors” sections during that same term. See the TAP Curriculum webpage for the most recent two-year plan for upcoming honors course offerings. Dedicated sections are able to offer an Honors experience that mirrors the academic work at four-year schools. Contracts should be used to bridge any gaps during the program, so please plan your courses carefully. The deadline for full-term class contracts for Fall 20 was October 2. Late start contracts for 8-WeekB classes will be accepted until **November 6**. No exceptions will be made. Finally, keep in mind the contract limits: *Students required to take 18 honors units for TAP are limited to a maximum of three contracts; students required to take 15 honors units for TAP are limited to a maximum of two contracts.*
